REPORTING POTENTIAL CONFLICTS OF INTEREST

- (1) **Policy Purpose:** The purpose of this voluntary policy is to assist Commission members to:
 - (A) Recognize an actual or appearance of a conflict of interest;
 - (B) Comply with applicable conflict of interest laws and rules; and
 - (C) Avoid controversy or embarrassment for the affected individual member, the Commission, and MoDOT.

- (2) **Responsibility of Commission Members:** A conflict of interest may take many forms. The correct analysis of a potential conflict depends upon the facts disclosed as well as the applicable law, if any. Each Commission member should be alert to any potential conflict of interest. The responsibility for avoiding a potential conflict of interest and complying with applicable statutes and rules rests with the individual Commission member.

- (3) **General Provisions:**
 - (A) **Definitions:**
 1. **Potential Conflict of Interest:** An activity or financial interest which may lead to either an actual conflict of interest or the appearance of a conflict of interest.
 - A. **Actual Conflict of Interest:** An activity or financial interest which is prohibited by law or rule.
 - B. **Appearance of Conflict of Interest:** An activity or financial interest which is not prohibited by law or rule, but may appear to be a conflict of interest in the eye of the beholder and thereby controversial in nature.
 2. **Abstention/Abstain:** An action by a Commission member to decline to vote on a Commission agenda item/issue; however, abstention/abstaining permits the member to participate in and/or listen to Commission discussion of the issue.
 3. **Recusal/Recuse:** An action whereby the member excuses himself or herself from an agenda item/issue. When recusing, the member would not:
 - A. Be provided Commission meeting backup material regarding the matter;
 - B. Listen to or participate in Commission discussion of the issue in a closed Commission meeting;
 - C. Participate in the discussion of the issue in an open Commission meeting;
 - D. Vote on the agenda item/issue; and

E. Communicate with any Commission member or MoDOT employee regarding the issue.

4. Statutory Prohibitions: Any action, activity, affiliation, or association expressly or impliedly prohibited by a state or federal statute or administrative rule including, but not limited to, the prohibitions contained within section 226.090, RSMo. This section prohibits commission members from having any direct or indirect interest in, or acting as agent for, “the sale of road or bridge building material, equipment, tools, machinery or supplies, or in any contract for the construction or maintenance of state highways or bridges, or the financing thereof, or in any performance bond or workers' compensation or any other insurance furnished to the commission, or insurance furnished to any person, firm or corporation contracting with the commission” (**Exhibit 1**).

(B) **Informal Advisory Opinions:** Upon request, the chief counsel will provide any Commission member with an attorney client privileged informal advisory opinion regarding any potential conflict of interest about which the Commission member may have any question or concern.

(C) **Governor's Office:** The commission secretary shall correspond with the governor, the governor's counsel, and the director of boards and commissions to provide a copy of this policy six months prior to the scheduled expiration of any Commission member's term of office, or as soon as possible upon the inability of any Commission member to complete his/her scheduled membership term of office for any reason. The commission secretary shall provide a copy of the correspondence to the director and the chief counsel. The purpose of this requirement is to assist the governor's staff in advising prospective Commission members of the:

1. Commission's policy for Commission Members to Disclose Potential Conflicts of Interest.

2. Statutory prohibitions, including those contained in section 226.090 (**Exhibit 1**)

3. Application of relevant conflict of interest and ethics statutes that could have an adverse financial impact on prospective Commission members based on MoDOT's long-standing practice, to avoid an actual conflict of interest or the appearance of a conflict of interest, of refraining from making purchases during a Commission member's term of office from any business in which a Commission member has a financial interest.

(D) **Conflicts Committee:** MoDOT shall maintain a standing conflicts committee to consist of the: chief engineer; chief financial officer; commission secretary; and director of audits and investigations. The chief counsel, or his/her designated representative, shall serve as counsel to the committee.

(E) **State Financial Interest Statements:** In addition to the required filing with the

Missouri Ethics Commission, Commission members should file copies of their Financial Interest Statements (also titled by the Missouri Ethics Commission as the Personal Financial Disclosure Statements) required by section 105.483(4) RSMo with the commission secretary who will provide copies of such statements to the members of the conflicts committee and the chief counsel to aid in assisting Commission members in identifying potential conflicts of interest.

(F) **Annual Review of Statutes:** After each legislative session, the chief counsel will review truly agreed and finally passed bills approved by the Governor and, if appropriate, prepare a report for the Commission with recommendations regarding any proposed changes to this policy.

(4) **Procedure For Disclosure By All Commission Members of Potential Conflicts of Interest:**

(A) **Commission Member Disclosure Report:** When a Commission member is first appointed to the Commission, the member should file a written Commission Member Disclosure Report with the commission secretary, on a form provided by the commission secretary that includes:

1. A list of the member's current employer(s), if any, and all business entities, if any, in which the member has any financial interest that may directly or indirectly do business with the Commission/MoDOT in an industry or business prohibited by section 226.090, RSMo (*see Exhibit 1*). Such list should include the nature of the business or activity;
2. A list of all real estate located in Missouri in which the member (individually or through a business entity) has a financial interest including the general nature of such interest (e.g., ownership, lease, etc.), the use (e.g., residential, farming, commercial, etc.) and location (street address or township and range) of such real estate;
3. A list of any other activities or financial interests in a charitable, governmental, or for-profit organization, association, district, business entity or the like in which the member has no ownership or financial interest and receives no income, such as a membership in or serving on a board of directors, or the like, including the general nature of the activity or interest (e.g., professional, social, charitable, etc.); and
4. For Commission members who are attorneys, a list of all current and past law firm clients doing business with, being regulated by, or litigating for or against the Commission/MoDOT, including the nature of the client's business.

(B) **Distribution of Commission Member Disclosure Report:** The commission secretary will distribute the Commission Member Disclosure Report to all Commission members, the director, the chief counsel, all members of the conflicts committee, all MoDOT division directors, and all district engineers.

- (C) **Division and District Review:** MoDOT division directors and the district engineers shall review the Commission Member's Disclosure Reports and provide written comments to the commission secretary regarding:
1. The effect of any potential conflict of interest on his/her area of responsibility; and
 2. Any additional information known by the staff that may have been overlooked by the Commission member in preparing the report.
- (D) **Conflicts Committee Review and Advice To Director:** After reviewing the Commission Member Disclosure Reports and the staff comments, the conflicts committee shall advise the director of potential conflicts and the recommended course of action, if any, to be taken by MoDOT and the affected Commission member(s).
- (E) **Discussion With Member:** With director concurrence of the course of action, the commission secretary and/or chief counsel will discuss the matter with the affected Commission member(s).
- (F) **Amended Commission Member Disclosure Report:**
1. After filing a report with the commission secretary, if any Commission member becomes aware that any of his or her activity, financial interest, or specific matter to be presented to the Commission creates a potential conflict of interest, the Commission member should file a disclosure letter with the commission secretary to direct that the member's report be amended to include the potential conflict of interest.
 2. The commission secretary will distribute any amended Commission Member Disclosure Report as provided in section (4)(B) above.
- (G) **Assistance To Members:** To assist the Commission members in identifying potential conflicts of interest, the director, commission secretary, chief counsel, and MoDOT division directors and district engineers will make every effort to alert the Commission member if a business entity, real estate interest, or any other item reported on a Commission Member Disclosure Report is related in any way to an agenda item before the Commission for its action. This notice will include projects located within one mile of any real property in which a Commission member individually or through a business entity in which the member has any ownership, leasehold, or other possessory or financial interest.
- (H) **Member's Determination Regarding Participation In A Commission Action:** If a Commission member determines a Commission meeting agenda item is a potential conflict of interest for herself or himself, the Commissioner should either abstain from voting on the issue or recuse himself or herself from the issue.
- (I) **Annual Update:** The commission secretary will provide an annual reminder notice

to each Commissioner to update, if appropriate, due to a changed circumstance, his/her Commission Member Disclosure Report.

- (5) **Real Property Acquisition Procedure:** When a Commission member individually, or in a business entity in which the member has any ownership, leasehold or other possessory or financial interest in real property, for which an offer of just compensation will be made so that it may be acquired by the Commission for a project, the following procedure should be used by the Commission member and shall be followed by MoDOT staff and special conflicts counsel.
- (A) **Fee Appraisal(s):** The district right of way staff will prepare a preliminary estimate of damages in a fee study. If in the fee study, the apparent compensation is estimated to be \$500 or more, the staff will have one or more fee appraiser(s) determine just compensation for the property to be acquired and the damage, if any, to the property's remainder. If the apparent compensation in the fee study is less than \$500, the appraisal will be prepared by district staff appraisers and approved by a district right of way manager who is a certified appraiser.
 - (B) **Central Office Review and Approval:** If the approved offer is \$500 or more, a central office right of way appraiser or right of way liaison officer who is also a certified appraiser will review the appraisal(s) and determine the approved offer of just compensation.
 - (C) **FHWA Review and Approval:** MoDOT staff will secure review and approval of the appraisal(s) and the approved offer of just compensation from the Federal Highway Administration.
 - (D) **Commission Review and Approval When Approved Offer Exceeds \$500:** When the approved offer exceeds \$500, section 105.454.1(2) RSMo requires public notice before the sale of real property. Therefore, the state design engineer shall place the matter on the Commission's open session meeting agenda for the Commission to review and finally approve the offer of just compensation (with the affected member recusing himself/herself from the agenda item) prior to the offer being made to the Commission member. To provide adequate public notice, the agenda item shall be styled: "Purchase of Real Property Interest from Commissioner _____."
 - (E) **Offer Of Just Compensation To Commission Member:** The approved offer will then be made by the district's right of way staff to the Commission member, or the corporation or entity for which the member has a financial interest, or the authorized representative. However, if the offer is more than \$10,000, the member/corporation/entity will be encouraged to refuse the offer and go through condemnation to avoid any appearance of impropriety. If the offer is \$10,000 or less, the member/ corporation/entity need not be encouraged to go through condemnation and may execute a deed for the real property as a willing seller in exchange for the approved offer.

- (F) **Condemnation:** If the Commission member agrees to the condemnation, the parcel will be condemned at the first opportunity by special conflicts counsel approved by the Commission (with the affected member recusing herself/himself from the agenda item).
 - (G) **Settlement:** Once the condemnation commissioners appointed by the circuit court have determined a value for the property, if that value is acceptable to all parties, a proposed settlement in the amount of the condemnation commissioners' award should be presented to the court for its review, approval, and entry of a judgment; however the special conflicts counsel shall request that the court delay its entry of judgment until after the Commissioner's membership term ends to avoid any appearance of impropriety.
 - (H) **Jury trial:** Should either party disagree with the value established by the condemnation commissioners and file exceptions to the condemnation commissioners' award, the special conflicts counsel should prepare the case for trial; however, the special conflicts counsel shall request the circuit court delay the jury trial until the Commission member no longer serves on the Commission to avoid any appearance of impropriety. The final price for the property will be that determined by jury verdict and the court's final judgment after appeal, if any.
 - (I) **Rule 17:** Should the circuit court refuse under section (5)(G) or (H) above to delay the action under Missouri Supreme Court Operating Rule 17, the special conflicts counsel shall consult with the Commission in closed meeting regarding the appropriate course of action (with the affected member being recused from the meeting).
- (6) **Conflict of Interest Statutes:** The applicable statutes are complex and difficult to reasonably apply in some situations.
- (A) **Section 226.090 RSMo:** Attached as **EXHIBIT 1**.
 - (B) **Summary of Statutes:** **EXHIBIT 2** is a summary of applicable Conflicts of Interest Statutes. A copy of the statutes is available upon request to the chief counsel.

However, this provision does not apply to property that is condemned by the agency from its officer or employee (§105.466.3 RSMo).
- (B) Section 105.455 RSMo prohibits Commission members who vacate the office, whether by resignation, expulsion, or otherwise, from acting, serving, or registering as a lobbyist until six months after the vacation of such office.
- (C) Section 105.470 RSMo defines an “executive lobbyist” as a person who attempts to influence the actions of the executive branch of government,

including a commission like the Commission. The conduct of executive lobbyists is regulated and for things like food and beverages, fees that are waived or reduced, gifts, and transportation costs, expenditures made by an executive lobbyist in lobbying appointed officials, like Commission members, must be reported to the Missouri Ethics Commission and are available for public inspection. For example, gifts of baseball tickets, meals and greens fees fall within the definition of “expenditure” and must be reported by the lobbyist, not the Commission member, with certain listed exceptions, such as when the ticket, meal, or green fee is necessary for the Commission member to perform his/her duty as a Commission member when participating in a ceremony, public presentation or official commission meeting.

- (D) A first violation of these sections is a class B misdemeanor, but subsequent violations are class E felonies. Section 105.478 RSMo.
1. Section 558.002.1(1) RSMo says that a person who is convicted of a class E felony may be sentenced to pay a fine which does not exceed **\$10,000**.
 2. Section 558.011.1(5) RSMo says a person convicted of a class E felony may serve a prison term not to exceed **4 years**.
