### OPERATING BUDGET

The Commission shall approve the Operating Budget by operating budget category. (The operating budget categories shown on the budget are Administration; System Management; Program Delivery; Fleet, Facilities, and Information Systems; and Multimodal.) In accordance with Article IV, Section 30(b) of the Missouri Constitution, the Commission has the sole discretion to spend moneys in the State Road Funds. All other state and federal fund disbursements shall be approved by the Commission but subject to federal appropriation or appropriation by the Missouri General Assembly.

### Delegation of Contingent Authority

The Director may approve the operating budget and/or amendments to it, after consultation with the Commission Chair, or the Vice-Chair if the Chair is unavailable, effective whenever the Commission lacks sufficient members for a statutory quorum of members, or the Commission has less than six statutory members and the incapacity of a member contributes to the Commission being unable to achieve a statutory quorum, for a regular monthly or specially scheduled meeting due to delays in the appointment and confirmation process for Commission members. This delegation of contingent authority exercised by the Director shall be subject to ratification by the Commission at the next regular monthly meeting a statutory quorum is attained.

### Executive Committee

For purposes of this policy the term Executive Committee includes the individuals who fill the positions of Director, Deputy Director/Chief Engineer, Assistant Chief Engineer, Chief Safety and Operations Officer, Chief Administrative Officer, and Chief Financial Officer.

### Expenditures within Operating Budget Categories

In those cases where other provisions within the MHTC Policies may be in conflict with this section, the other provisions will prevail.
