

ADDENDUM #2

Contract Documents Entitled State Technical College of Missouri (1H3) Airport Fence Replacement Project MoDOT Project #24-044A-1

Bid Opening Date: February 21, 2025

Owner: State Technical College of Missouri

Designer of Record: WSP USA, Inc.

TO ALL PLANHOLDERS:

Addendum #2 is herewith made a part of the Contract Documents of the above issued project, and is issued to amend and supplement the January 2025 drawings and specifications as follows:

BID OPENING

The date of the bid opening date and time has been adjusted due to the snow and weather conditions this week. The location will remain the same, see below:

Sealed bids will be received until **9am (Central Prevailing Time), February 21, 2025**, and then publicly opened and read at the **Vehicle and Power Center (Building 2) Conference Room 201 County Community Center** located adjacent to the campus of the State Technical College of Missouri at **1 Technology Dr, Linn, MO 65051**.

A map is attached to addendum No. 1

SPECIFICATIONS

Modify Section 2: Instruction to Bidders, #1 to read: The proposal form must be executed (signed) and submitted in the sealed package. It is not necessary to submit the original bound project manual, but individual forms and submittal requirements as defined in the Instructions to Bidders and Proposal Form will be accepted and shall be included in the sealed package.

The statement on the Proposal Form (page 12) will be disregarded and all relevant documents will still be required in the sealed package as stated above.

All bidders shall acknowledge receipt and acceptance of Addendum #2 by signing in the space provided on the Bid Form. Bids submitted without the Addendum #2 being acknowledged will be considered nonresponsive.

Please ensure Addendum #1 and Addendum #2 are acknowledged and signed.
