Our School Resource Officer is going to give a presentation on how to correctly wear a seat belt along with not using cell phones while driving and the current law that is enforced with cell phones use. The SRO is going to address the incorrect ways to wear a seatbelt and the detrimental effects of misuse. He will also be going over statistics from accidents and fatalities involving buckled and unbuckled passengers and drivers.

**This is not finalized at the time of submitting this grant. Working on getting our local Highway Patrol involved to see if they can attend with their seatbelt demonstration and may also have access to a seatbelt simulator.
