**Does your school have the required roadway safety activity/presentation planned yet?**

In Progress

**Would you be interested in learning about the free roadway safety programs that MoDOT has to offer?**

Yes

**What activities will occur at the event?**

The activities have not yet been set in stone, but the students will be bussed to a couple different locations in the SEMO area throughout the night. Ultimate Air, Sikeston Bowling Center, and Bootheel Gymnastics are on the list to be chosen from. They will be fed, entertained, and given prizes all night long, enjoying their last night together as the Class of 2026, before they take on the world!

**Clearly state your goal and action plan that will address drivers' safety issues in your**

**school**

Our goal is to remind students that they are adults now and have a lot of responsibilities on their shoulders as graduates. One such responsibility is sharing the road with other drivers. We will focus on distracted driving (phones) and driving under the influence, as these seem to be some of the largest issues with this age group. We will present this information while they are on the bus, en route to their various destinations, to ensure that they are a captive audience.
