Please specify which type of event your school is having

Project Graduation

Please confirm that a lock-in event is occurring after your Graduation/Prom.

Yes

Location of event

High School Gym and FEMA

Estimated number of students at event

50

Does your school have the required roadway safety activity/presentation planned yet?

No

Would you be interested in learning about the free roadway safety programs that MoDOT has to offer?

Yes

What activities will occur at the event?

The student will enjoy food, laser tag, games and prizes.

Clearly state your goal and action plan that will address drivers' safety issues in your school

We would like to see ideas before deciding. We had a student in the senior class die last year in December during their junior year so we have to be careful about what we plan. Emphasis on phones put away would be our priority rather than mock accident program or videos. We

have posted the Buckle Up Phone Down signs we were sent as a part of the grant.

Added by Ashley: Miranda has signed up the school to participate in the Safe and Sober program. The program will be discussed with all high school students the week of graduation in homeroom.
