Who is hosting the event?

High School

Date of event

2026-04-18

Please specify which type of event your school is having

Project Prom

Please confirm that a lock-in event is occurring after your Graduation/Prom.

Yes

Location of event

Bonne Terre Family Fun Center

Estimated number of students at event

70

Does your school have the required roadway safety activity/presentation planned yet?

Yes

Would you be interested in learning about the free roadway safety programs that MoDOT has to offer?

No

What activities will occur at the event?

The students will be attending the Family fun center to participate in safe after prom activities. This will include mini golf, bowling, bumper boats, and many other fun activities. We hope this allows the students to refrain from activities after prom that could lead to negative things. The students will also receive food at the after prom.

Clearly state your goal and action plan that will address drivers' safety issues in your school

The students will go through a presentation on 4/16 that will inform them of the affects of driving and drinking and driving under the influence. This will be given to all the students going to Prom.
