What activities will occur at the event?

The Missouri State highway patrol will conduct a traffic safety program on April 17, focusing on seatbelt usage, impaired driving and distracted driving. The program will be for juniors and seniors, utilizing the impaired driving simulator as well as the fatal vision cart. The same program has been given at Licking High School for the past two years and has always been well received.

Clearly state your goal and action plan that will address drivers' safety issues in your

school

Our goal would be to improve driver safety on school grounds by reducing speeding unsafe drop off/pick up behaviors and pedestrian risks creating a safer environment for students, staff and families.
