What activities will occur at the event?

We work with a local authority that provides us with tricycles and a Variety of impaired goggles. These goggles are highly intoxicated to substance abuse. Students are required to drive a course set up as it allows them to see what it is like under these impairments. We also watch a road safety video about click it or ticket.

Clearly state your goal and action plan that will address drivers' safety issues in your

school

My goal is to improve drivers' safety in my school by reducing traffic-related accidents and ensuring that all drivers follow school traffic rules to protect students, staff, and visitors. Our goal is show how saying no, or a simple click of a seat belt, can save your life. We want all those involved to make smart decisions before you get behind the wheel.
