Please specify which type of event your school is having

Project Prom

Please confirm that a lock-in event is occurring after your Graduation/Prom.

Yes

Location of event

Summersville High School

Estimated number of students at event

60

Does your school have the required roadway safety activity/presentation planned yet?

In Progress

Would you be interested in learning about the free roadway safety programs that MoDOT has to offer?

Yes

What activities will occur at the event?

Students will participate in games, inflatable activities, and possibly travel (by bus) to a local bowling alley/movie theater. Each student will receive a door prize and there will be drawings for big prizes at the end of the event.

Clearly state your goal and action plan that will address drivers' safety issues in your school

the goal of project prom is to provide students with a safe space to enjoy after-prom. We want

to encourage all students to make good choices behind the wheel--no drinking, no drugs, no distracted driving, and the importance of seat belt usage. Prior to prom, a group of students will be providing information based on Safe and Sober curriculum. The week after prom, Cara Filler will be speaking to students.
