

A photograph of a family working on a car. An older man with a grey beard and a plaid shirt is leaning over the engine compartment of a red car, wearing work gloves. A young boy is standing next to him, looking at the engine. A younger man in a red plaid shirt is also leaning over the engine, looking at something in his hands. Another person is partially visible on the right. The background shows a green car and trees with yellow leaves, suggesting autumn.
