St. Charles County News Winter 2018

Changes Coming to Route 94 at South Breeze

Big traffic changes are coming this summer to Route 94 at South Breeze Road. MoDOT will close the crossover at that location

to prevent drivers from turning left or going straight across Route 94. Special turn lanes, known as J-turns, will be added at Independence Road and between South Breeze and Wolfrum Road, so

drivers can access eastbound and westbound Route 94. Drivers will still be able to turn left from Route 94 onto South Breeze.

Work on the \$1.3 million project will start this summer and is expected to wrap up by the end of the year.

For more information on the project, visit the project website at <https://www.modot.org/route-94south-breeze-improvements>.

Second Route N Public Meeting Set for February 21

MoDOT will hold a second public meeting on the Route N Study later this month. Members of the study team will be available to discuss the various concepts being suggested for the stretch of Route N that runs from South Point Prairie to the Interstate 64/Route 364 interchange.

The study began in August 2018 is expected to take about 15 months to complete.

The open-house style public meeting is scheduled for Thursday, February 21 from 4 p.m. to 6 p.m. in the lobby at Liberty High School, 2275 Sommers Road in Lake Saint Louis. Since there are no formal presentations, the public may attend at any time during the meeting.

For more information on the study, go to www.RouteNStudy.com.

New Construction Map Online

Construction season is on its way and there are a lot of big projects coming up in St. Charles County.

Work on Interstate 70, Route 61 and Route 79 are among the big projects this year.

To see what work will impact you, take a look at the St. Charles County annual construction map.

The map highlights major projects impacting state maintained roads in 2019 and 2020. Go to <https://www.modot.org/sites/default/files/documents/2019-2020StCharlesConstructionMap.pdf> to see the map.
