REPORTS
Financial-Budget-Reports Year-to-Date Financial Report, Period Ending June 30, 2020................. 11
A regularly scheduled meeting of the Missouri Highways and Transportation Commission was held by electronic ballot on August 12, 2020. The meeting was called pursuant to Section 226.120 of the Revised Statutes of Missouri, as amended. The Secretary verified that notice of the meeting was posted in keeping with Section 610.020 of the Revised Statutes of Missouri, as amended.

The following members of the Commission submitted ballots: Chairman John W. Briscoe, Michael T. Waters, Jr., Gregg C. Smith, Terry L. Ecker, and Robert G. Brinkmann, P.E. Commissioner Michael Pace tendered his letter of resignation to Governor Parson stating his resignation would be effective on March 6, 2020; at the time of the August 12, 2020 meeting, a replacement had not been appointed.

-- CLOSED MEETING --

VOTE TO CLOSE MEETING

The agenda of the closed meeting was posted in keeping with Sections 610.020 and 610.022, RSMo, including the following statutory citations allowing the meeting to be closed:

1. Section 610.021(11), (12) – Competitive bidding specs, sealed bids, or negotiated contracts.
2. Section 610.021(1) – Legal actions or attorney-client privileged communications.

The following members of the commission submitted ballots to enter into closed session: John W. Briscoe, Michael T. Waters, Jr., Gregg C. Smith, Robert G. Brinkmann, P.E., and Terry L. Ecker.

-- OPEN MEETING --

COMMISSION/DIRECTOR ITEMS

APPROVAL OF MINUTES

The Commission, via approval of the electronic ballot, unanimously approved the minutes of the regular meeting held July 8, 2020, and the special meeting held June 22, 2020. The Chairman and Secretary to the Commission were authorized and directed to sign and certify said minutes and to file same in the office of the Secretary.

* * * * * *

CONSENT AGENDA

Consent Agenda Process

In order to make the most efficient use of Commission meeting time and to ensure Commission members are well informed on issues requiring their action, staff prepares and submits to the Commission members, in advance of their meeting, internal memoranda consisting of advice, opinions, and recommendations related to the items of the Commission meeting agenda. Those items considered by staff to be of a routine or non-controversial nature are placed on a consent agenda. During the meeting, items can be removed from the consent agenda at the request of any one Commission member. The items that are not removed from the consent agenda are approved with a single motion and unanimous vote by a quorum of the members.

Minutes reflecting approval of items on the consent agenda are singly reported herein and intermingled with minutes reflecting action on related subjects that were openly discussed. Reference to “consent agenda” is made in each minute approved via the process described in the paragraph above.
Minutes reflecting action on items removed from the consent agenda and openly discussed reflect the open discussion and vote thereon.

**Consideration of August 12, 2020, Consent Agenda**

No items were removed from the consent agenda. Via electronic ballots received by the Secretary to the Commission, the Commission approved the consent agenda as submitted.

**MODOT PRESENTATIONS**

**CONSIDERATION OF PROPOSALS FOR THE BOOTHEEL BRIDGE BUNDLE DESIGN-BUILD PROJECT**

On behalf of the Director, Ed Hassinger, Deputy Director/Chief Engineer, and Jessie “Benji” Philpot, Project Director, presented a report that described the project that will replace or rehabilitate more than 15 bridges in the Southeast District.

**Project Goals**

MoDOT established the following goals for the project which were used in evaluating and determining the Best Value Proposal:

1. Deliver the project within the program budget of $25.5 million which includes engineering, utilities, right of way, incidents, and stipends on or before December 31, 2023.
2. Use innovation to maximize the number of locations to be addressed while providing quality structures sensitive to location and traffic.
3. Minimize public inconvenience through increased construction speed and flexibility in scheduling.
4. Improve safety at each location.

MoDOT’s External Civil Rights Division established an eight percent disadvantaged business enterprise goal for construction work and a twelve percent disadvantaged business enterprise goal for professional services for the project. The contractor is required to meet federal workforce goals per trade of 11.4 percent minorities per trade in St. Francois, Cape Girardeau, Reynolds, Butler, Mississippi, and Bollinger counties and 26.5 percent minorities per trade in Dunklin and Pemiscot
counties and 6.9 percent female in all counties. There is an on-the-job training requirement for one trainee at 1,000 hours.

Procurement Process

By Commission action on October 2, 2019, the Commission approved the use of design-build for the Bootheel Bridge Bundle Design-Build Project. Since then, MoDOT’s design-build team has been working through the procurement process. Four teams were prequalified on February 21, 2020, to compete for the contract. The Request for Proposals was issued March 20, 2020. The MoDOT Design-Build team held seven confidential discussions with each team to discuss their proposal ideas. Three proposals were submitted by the deadline on July 7, 2020. The MoDOT design-build team reviewed and evaluated the proposals. The two teams that submitted compliant proposals include:

Evaluation

The items that were evaluated by the MoDOT design-build team included: Project Definition (70 points available), Maintenance of Traffic (25 points available), and Safety (5 points available). Mr. Philpot provided a summary of the proposals submitted by each team and the total points awarded to each team as outlined below.

- Robertson Contractors – 85 points
- Lehman – Wilson – 81 points

Commission Consideration and Action

Mr. Philpot recommended Robertson Contractors as the best value proposer. Their proposal included:

- Design build contract completed by December 2023, which utilized the $21.3 million programmed budget
• Twelve bridge replacements, one bridge elimination, and four bridge rehabilitations
• Public involvement and maintenance of traffic commitments that will result in a successful project from the perspective of the counties, drainage district, and local travelers
• Structure widening to meet MoDOT standards improving safety at every location

The Commission, via approval of the electronic ballot, unanimously approved the staff recommendations to select Robertson Contractors design-build team for submitting the best value proposal for the Bootheel Bridge Bundle design-build project; authorized the director, deputy director/chief engineer, or their designee to negotiate and execute a contract with Robertson Contractors design-build team subject to approval as to form by the Chief Counsel’s Office; and authorized payment of the agreed stipend to the one unsuccessful proposing team.

STATEWIDE TRANSPORTATION IMPROVEMENT PROGRAM (STIP)

2020-2024 STATEWIDE TRANSPORTATION IMPROVEMENT PROGRAM AMENDMENT

On behalf of the Director, Ed Hassinger, Deputy/Director Chief Engineer, requested approval to revise the 2020-2024 Statewide Transportation Improvement Program (STIP) that was approved in July 2019, for the implementation of sixteen highway and bridge projects, as noted in Table I below and three multimodal projects, as noted in Table II below.

Via approval of the consent agenda, the Commission unanimously approved the amendment to the 2020 – 2024 STIP as noted in the tabulations above. Commissioner Brinkmann abstained from voting on Job Number J6S3259B, Route 100 in St. Louis County.

* * * * * *
REQUEST FOR APPROVAL OF LOCATION AND/OR DESIGN OF HIGHWAYS

I-70 & Wentzville Parkway Interchange, St. Charles County
Job No. CMAQ-7304(609)
Public Hearing Held Virtually May 13 - June 3, 2020

The proposed improvements include relocating the eastbound I-70 exit and entrance ramps west meeting Veteran’s Memorial Parkway (South Outer 70) in a roundabout. This eliminates the eastbound I-70 ramp signals on Wentzville Parkway which are closely spaced with Veteran’s Memorial Parkway. The project will also reconstruct the signals at Wentzville Parkway and Veteran’s Memorial Parkway and features a free-flow movement from southbound Wentzville Parkway to eastbound I-70. The project will have fully controlled access right-of-way. The project is 0.620 mile in length.

On behalf of the Director, Thomas Blair, St. Louis District Engineer, recommended approval of the location and design as presented at the public hearing.

After full consideration of the favorable and adverse economic, social and environmental effects of the recommended location and design, the Commission via approval of the consent agenda unanimously found and determined the recommended designs would best serve the interest of the public and approved the recommendation.

-- REPORTS –

REPORTS

The Commission received the following written reports.

FINANCIAL-BUDGET-REPORTS YEAR-TO-DATE FINANCIAL REPORT, PERIOD ENDING JUNE 30, 2020

Todd Grosvenor, Financial Services Director, submitted a written financial report for fiscal year to date June 30, 2020, with budget and prior year comparisons.

* * * * * * *
The Mission of the Missouri Highways and Transportation Commission is to:

- Represent the citizens of Missouri pursuant to the Constitution by providing independent and nonpartisan governance of the Missouri Department of Transportation; and

- Establish policies, exercise oversight, and ensure accountability in developing and maintaining a world class transportation system in Missouri which fosters safety and economic development.
