

Southeast Coalition for Roadway Safety

Community Outreach

Grant Application

The Southeast Coalition for Roadway Safety is one of seven regions of the Missouri Coalition for Roadway Safety. This is a diverse group of individuals and agencies located throughout South Central and Southeast Missouri, dedicated to saving lives and reducing serious injuries from traffic crashes. These efforts are implemented through community outreach education and Law Enforcement projects funded by the Missouri Department of Transportation. Grant funding is available to agencies, businesses and organizations that need resources to further promote roadway safety.

Email Completed Applications to Ashley.metelski@modot.mo.gov

District: Southeast

Name of Agency/Business/Organization: _____

Contact Person: _____

Phone: _____

Email: _____

Address: _____

City/State/Zip Code: _____

For Internal Use Only:

Organization: _____

Account: _____

Project: _____

Appropriation: _____

Object: _____

What is the specific issue in your region and how do you know it is a problem?

Clearly state your goal and identify the following: what needs to be done; who or what agency will conduct the task; estimated timeframe (if known and if applicable)

How will you determine whether this project was successful? Give specific examples of how results will be measured.

List all costs to complete this project. If you anticipate any local match (in-kind services, donations, personnel), please list those also.

Total amount of funds requested: _____

We are excited to explore the possibility of awarding your business/organization funding to promote roadway safety! Our Executive Board will review your application within 3 weeks of submission.
