

CHILD PASSENGER SAFETY TECHNICIAN COURSES

UPCOMING TRAINING COURSES

JANUARY 24-27

*Fire Station #3
Cape Girardeau*

FEBRUARY 14-17

*Three Rivers College
Poplar Bluff*

Attendees must be at least 18 years old at the time the course starts. The standardized child passenger safety technician (CPST) certification course is usually 3-4 days long and combines classroom instruction, hands-on work with car seats and vehicles, and a community safety seat checkup. Attendance is required for the entire course. The SE Coalition for Roadway Safety offers scholarships for those wanting to be certified. Call SCRS Rep Ashley Metelski for scholarship details, 573-380-9432.
