RE: Authority to Advertise  
Traffic Study

Dear Ms. Kuhns,

We have reviewed the Request for Qualifications (RFQ) and concur with the plan to seek qualified contractor to complete a Traffic Impact Study for your Port site.

This is the official letter authorizing you to advertise in accordance with chapter 68. Once the port chooses to contract with a consultant, you will need to share the contract and recommendations of the port board so that we may provide you with a concurrence in award letter for your consultant. A signed copy of the contract will also need to be shared for our records.

We will be glad to post this on the MoDOT website. If you have any questions, please feel free to contact this office.

Sincerely,

Stacey Fowler, IMPM  
Waterways Manager
