RE: Meeting on January 28, 2025  
12:30 p.m. to 2:30 p.m.  
SW District Office  
Conference Room 2 and 3  
***RSVP by January 14, 2025***

The Southwest District plans to host their annual asphalt contractor meeting this year utilizing the Southwest District Office Conference Rooms. This in-person meeting is for any asphalt contractor who may be interested in bidding projects in Southwest Missouri during the 2026 State Fiscal Year.

The agenda will include a general discussion on several items including recent Staffing Changes at MoDOT, Specifying One Pavement Type, Materials Updates, and Safety in Work Zones. Following the general discussion, there will be a review of the groupings for the FY 2026 asphalt contracts. Your input can help shape how we structure the project combinations.

This meeting is planned for January 28, 2025, from 12:30 p.m. to 2:30 p.m., in the downstairs conference rooms at the Southwest District Office at 3025 E Kearney Street in Springfield, MO. We encourage any contractors who plan to bid on our projects being let this fall to attend, as well as any local aggregate suppliers.

*If you are interested in attending, please RSVP by January 14, 2025* to Ray Cook at [Darrell.Cook@modot.mo.gov](mailto:Darrell.Cook@modot.mo.gov) or 417-895-7644. Please indicate in your email or phone call who will be attending the meeting. We also ask that you designate a primary contact for your company and provide all of their contact information. After receiving your RSVP, we will send a meeting invite to the primary contact. Seating is limited to 50 people. If attendance exceeds this number, we will change to a different location. Your primary contact will be notified in the event we need to reschedule or cancel the meeting in case inclement weather is forecasted for the day of the meeting.

Sincerely,

Greg Chapman, P.E.  
Assistant District Engineer

*Our mission is to provide a world-class transportation system that is safe, innovative, reliable and dedicated to a prosperous Missouri.*
