

TRAFFIC CALMING PROJECT: JEFFERSON TO SHENANDOAH

CONSTRUCTION ANTICIPATED TO BEGIN IN SUMMER 2026

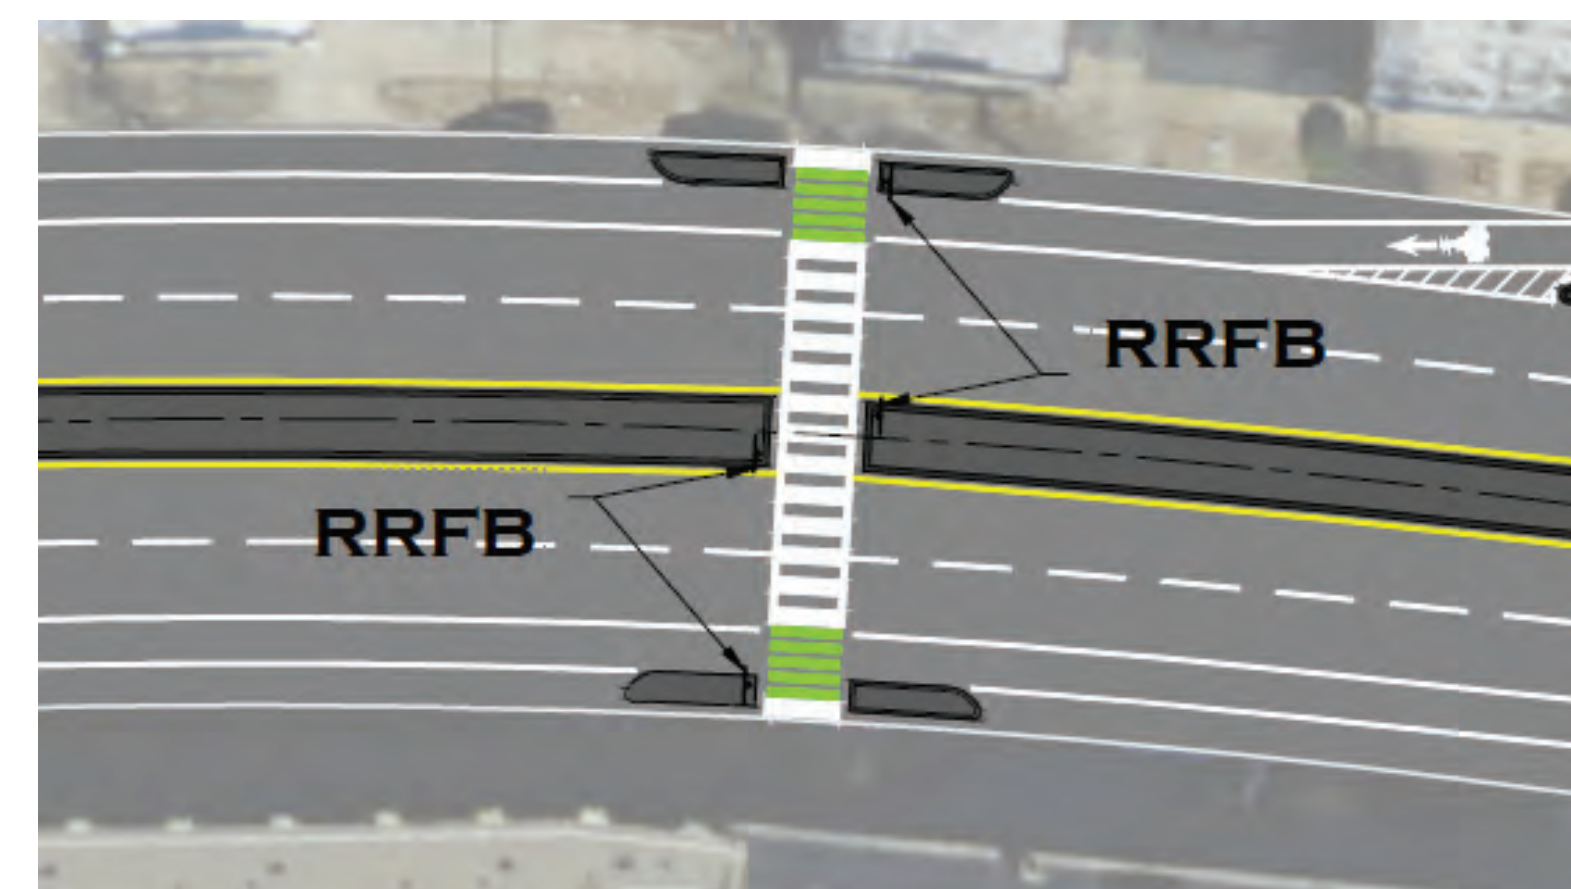

**Final Plans include minor adjustments from conceptual plans shown above*

Project Details

- Funded through Ward Capital by Alderwoman Jami Cox Antwi
- Traffic Study initiated in 2023 by then-Alderwoman Cara Spencer
- Project designed to improve safety by reducing speeding and crashes while maintaining existing travel lanes
- The goal is for most, if not all, of these improvements to integrate with the upcoming MoDOT corridor safety project on Gravois, minimizing removal or reconstruction of existing infrastructure.

Adding safer mid-block crossing with a Rectangular Rapid Flashing Beacon (RRFB)

Example of RRFB
