

Section 4b – SFY 2024 Legislatively Designated and Funded Initiatives

SFY 2024 Legislatively Designated and Funded Initiatives

This section of the Statewide Transportation Improvement Program contains projects funded by Missouri's General Assembly during the 2023 legislative session. These projects are funded by either General Revenue or bonding authorized by the General Assembly.

During the 2023 legislative session, the Missouri General Assembly addressed the top transportation need in the state, widening I-70. Missouri's FY2024 budget from the General Assembly and supported by Governor Parson provides General Revenue for the costs to plan, design, construct, reconstruct, rehabilitate and repair three lanes in each direction on approximately 200 miles of Interstate 70, from Blue Springs to Wentzville. The Improve I-70 program is programmed from FY2024 through FY2027.

The following is a list of those projects and information about their funding, timing and contain specifics about each project. MoDOT will track these projects and report regularly on their progress.
