

# INVITATION TO BID

## GREEN BRIDGE REPLACEMENT

Sealed bids for the Proposal for the Construction of Christian County Bridge #24900031 will be received at: Christian County Commission, 100 West Church St., Room 100, Ozark, MO 65721, until 10:00 A.M. (prevailing local time) on the 27th day of June, 2024, at the office of the Christian County Highway Department, and at that time will be publicly opened and read. All bids shall be submitted as a Hard Copy.

The proposed work includes:

Construction of a 347-foot 3 span Continuous Composite Plate Girder Bridge with roadway realignment, approach roadway work, erosion control, installation of concrete corral curb and any incidental work in accordance with plans and specifications.

A digital copy of the plans and specifications may be purchased through the office of Great River Engineering (GRE), at 2826 S. Ingram Mill, Springfield, MO 65804 (417-886-7171) upon payment of \$75.00, which is not refundable. All bidders must purchase plans through Great River Engineering, Inc. and be on the planholder list in order to bid the project.

This contract requires payment of the prevailing hourly rate of wages for each craft or type of work required to execute the contract as determined by the Missouri Department of Labor and Industrial Relations. The applicable state wage rates for this contract are detailed in "Annual Wage Order 31", that is attached to this bidding document.

The Christian County Commission hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.

All bidders must be on MoDOT's Qualified Contractor List per Section 102.2 of the current version of the Missouri Standard Specifications for Highway Construction. The contractor questionnaire must be on file 7 days prior to bid opening.

Contractors and sub-contractors who sign a contract to work on public works projects shall provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

A certified cashier's check or a bid bond in the amount of 5% shall be submitted with each proposal.

The Christian County Commission reserves the right to reject any or all bids.

The project will be awarded to the lowest, responsive, responsible bidder.

No 2nd tier subcontracting will be allowed on this project.
