INVITATION TO BID

BARRY COUNTY BRIDGE REPAIR BUNDLE

Sealed bids for the Barry County Bridge Repair Bundle will be received at: Barry County Commission, 700 Main Street, Suite 2, Cassville, MO 65625, until 10:00 o'clock A.M. (Prevailing Local Time) on the 10th day of December 2026, at the office of the Barry County Courthouse, and at that time will be publicly opened and read. All bids shall be submitted as a Hard Copy.

The proposed work includes:

Repair plans for four bridges throughout Barry County and a low water crossing replacement. Low water crossing replacement work includes installation of concrete toe walls and paving, installation of corrugated metal pipe and rock blanket. Planned work for bridge repairs generally consists of clearing and grubbing of existing overgrown foliage, concrete collars around existing abutments, formed and unformed substructure repairs, and installation of rock blanket.

A digital copy of the plans and specifications may be purchased through the office of Great River Engineering (GRE), at 417-886-7171 upon payment of $75.00, which is not refundable. All bidders must purchase plans through Great River Engineering and be on the planholder list in order to bid the project.

All labor used in the construction of this public improvement shall be paid a wage no less that the prevailing hourly rate of wages of work of similar character in this locality as established by the Missouri Department of Labor and Industrial Relations (State Wage Rate).

The Barry County Commission hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.

All bidders must be on MoDOT's Qualified Contractor List per Section 102.2 of the Missouri Standard Specifications for Highway Construction, 2026, Second Edition Edition including all revisions. The contractor questionnaire must be on file 7 days prior to bid opening.

Contractors and sub-contractors who sign a contract to work on public works projects shall provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

A certified cashier's check or a bid bond in the amount of 5% shall be submitted with each proposal.

The Barry County Commission reserves the right to reject any or all bids.

The project will be awarded to the lowest, responsive, responsible bidder.

The DBE Goal for this project is 0.

No 2nd tier subcontracting will be allowed on this project.
