

The Missouri Department of Transportation is proposing to amend the state's five-year Statewide Transportation Improvement Program (STIP).

A 7-day public comment period regarding the administrative amendment begins January 22, 2019 and ends January 29, 2019. The proposed February administrative amendment is attached below. Comments may be submitted via telephone to MoDOT's customer service centers at 1-888 ASK MODOT (275-6636), email sent to TPM@modot.mo.gov, or letter addressed to Transportation Planning, Amendment Comments, PO Box 270, Jefferson City, MO 65102.

The Missouri Highways and Transportation Commission approved the current Statewide Transportation Improvement Program in July 2018. Amendments occur due to unforeseen circumstances, changing conditions, or new opportunities that require a more rapid response than can be provided by an annual update.
