**Date:** Tuesday, January 26, 2021 2:43:36 PM

---

The EPG and Bridge Standard Drawings have been updated as described below:

### Implementation Statement:

*(The Implementation Statement is a recommendation by the Development Section. The SPM is responsible for the level of implementation for any particular job.)*

Revision Date	Items Revised	Description of Change
Jan. 2021	EPG: 751.50	Added standard note I1.71 to replace the Optional Slope Protection Detail allowing recycled concrete from the bridge deck to be placed on the spill slopes (does not qualify as rock blanket). A new detail was created to be shown when rock blanket is to be provided on spill slopes for a redeck (specified on Bridge Memo). When this detail is required, slab drains may be used over spill slopes.
	Bridge Standard Drawings: REDECK01	
	MicroStation Cells: NA	
	Std. Specifications: NA	
	Standard Plans: NA	
	Bridge Special Provisions: NA
