Frequently Asked Questions

Q: How much does the project cost?

A: Approximately \$4 million

Q: What are the anticipated impacts?

A: Construction details have not been finalized at this time. MoDOT will work with residents and business owners to ensure access is available during construction.

Q: Will the road be closed during construction?

A: Various traffic impacts will be in place as the project progresses. MoDOT will make every reasonable effort to reduce delays due to construction. Customers can anticipate temporary traffic impacts throughout the project. More information regarding traffic impacts will be shared through news releases and social media for each stage of construction as details become available.

Q: Will MoDOT need to acquire any right of way?

A: Yes. In 2025, MoDOT's Right of Way staff and consultants will begin the process of contacting property owners for any necessary right of way needed for the project. Right of way discussions are anticipated to continue through 2026.

Q: How can I stay updated about the project?

A: Stay updated on news about roadwork in your area by signing up for emails at eUpdates at MoDOT.org
