Notice is hereby given that the City of St. Charles will receive sealed proposals at City Hall, Engineering Office, 200 North Second Street, St. Charles, Missouri until 2:00 p.m. local time, on June 12th, 2026, at which time all bids for the **Main Street Extension Project** will be publicly opened and read.

The project will construct 0.3 miles of the Main Street right-of-way corridor between Clark Street and Montgomery Street and reconstruct 0.06 miles of the Riverside Drive right-of-way corridor between Adams Street and Clark Street, including, but not limited to: Removal of Improvements, New curb line on both sides of the roadway, New roadway pavement and grading, Multi-use connectivity to the Katy Trail, New ADA-compliant sidewalk and curb ramps with an amenities zone, Special ditch with a retaining wall, Introducing one row of parking on each side of the extended Main Street segment, New lighting along the roadway, New inlets and storm sewer connecting an adjacent drainage project and a new river outfall, New water infrastructure, Undergrounding of existing utilities into duct banks, and Driveway reconstruction.

A Pre-Bid Conference and site visit will be conducted for this Project. Attendance at the Pre-Bid Conference and the site visit is mandatory. Bidder failure to attend the Pre-Bid Conference and the site visit are grounds to declare a bid nonresponsive. The meeting will be held on site at the east side of the Foundry Art Centre Parking Lot, 520 N Main Ctr, Saint Charles, MO 63301, on May 20, 2026, at 10 AM or at City Hall, 200 North Second Street, St. Charles, MO 63301 in the case of inclement weather. The site visit is anticipated to take 2 hours.

The bid proposal shall be made on a form of proposal, provided in the specifications and delivered in a sealed envelope clearly marked on the outside **Bid No. 4835** to the Engineering Office on or before the time specified above. No facsimiles will be accepted. The proposal shall be accompanied by a bid bond, certified check or cashier's check of a bank or trust company in St. Charles County, City of St. Charles, St. Louis County, or in the City of St. Louis for an amount not less than five (5%) percent of the bid amount. The amount of the check shall be forfeited to the City if the bidder neglects or refuses to enter into a contract or to furnish bond after their proposal has been accepted.

The City reserves the right to reject any and all bids, offers, or proposals submitted, or to advertise for new bids with the MoDOT's concurrence. The City reserves the right to defer the acceptance of any proposal and the execution of a contract for a period not exceeding one hundred twenty (120) days after the date of opening of the bids. The successful bidder to whom the contract has been awarded shall sign the contract and performance bond and other required certificates in triplicate and return the signed documents within fifteen (15) days after the date of their receipt.

The City of St. Charles hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.

The City of St. Charles is an equal opportunity employer. The City does not discriminate against any person because of race, color, religion, sex, handicap, familial status, or national origin.

All bidders must be on MoDOT's Qualified Contractor List per Section 102.2 of the Missouri Standard Specifications for Highway Construction, 2011 Edition including all revisions. The contractor questionnaire must be on file 7 days prior to bid opening.

The DBE goal for this project is **0%**

Missouri Law, 292.675 RSMO, requires any awarded contractor and its subcontractor(s) to provide a ten-hour Occupational Safety and Health Administration (OSHA) Construction Safety Program (or a similar program approved by the Missouri Department of Labor and Industrial Relations as a qualified substitute) for their on-site employees (laborers, workmen, drivers, equipment operators, and craftsmen) who have not previously completed such a program and are directly engaged in actual construction of the improvement (or working at a nearby or adjacent facility used for construction of the improvement). The awarded contractor and its subcontractor(s) shall require all such employees to complete this ten-hour program, pursuant to 292.675 RSMO, unless they hold documentation on their prior completion of said program. Penalties, for Non-Compliance include contractor forfeiture to the Contracting Authority in the amount of \$2,500, plus \$100 per contractor and subcontractor employee for each calendar day such employee is employed beyond the elapsed time period for required program completion under 292.675 RSMO.

The successful bidder and contractor will be furnished, without cost, not more than three (3) sets of plans and specifications for the project. If more are requested, additional sets will be furnished at a nominal charge. Any plans and specifications required for permits by a municipality or other public agency will be furnished by the City.
