Section 301.025, RSMo., provides that proof of a paid county personal property receipt or a statement of non-assessment for the preceding year must be presented before a motor vehicle or trailer license is issued.

For some time, Missouri Motor Carrier Services has encountered difficulty registering interstate trucks in Missouri because some companies register and license all trucks in Missouri even though some of those trucks have no Missouri miles, and therefore are not taxable in Missouri.

Attached is an AFFIDAVIT AFFIRMING NO MISSOURI MILES designed to alleviate this problem.

If you are a carrier using Missouri as a base, and have specific vehicles with absolutely no miles in Missouri, the enclosed “AFFIDAVIT AFFIRMING NO MISSOURI MILES” can be used.

It will be the responsibility of the carrier to complete and submit the affidavit to the County Assessor for review and signature before obtaining the County Collector’s signature. Upon approval from the assessor and collector, submit the affidavit with your paid personal property tax receipt to the Missouri Motor Carrier Services office with your license renewal. Signatures of the Assessor, Collector and affiant must appear on each affidavit and every additional page if applicable.

REMINDER: Renewal applications WILL NOT be processed without complete verification of all vehicles for personal property tax.
