

# Missouri Skill Performance Evaluation Certificates

For Intrastate Drivers

**Missouri allows individuals to apply for a Skill Performance Evaluation certificate if they are not physically qualified to drive commercial motor vehicles intrastate because of one or more of the following conditions:**

- Limb amputation
- Limb impairment
- Vision impairment

**If the application is approved, the driver is authorized to haul in intrastate commerce - that is, the vehicle and its load must originate and end within Missouri's borders only.**

**Is the Missouri SPE certificate the same as the federal SPE certificate?**

No. The Missouri certificate qualifies drivers to operate only within Missouri's borders.

The federal SPE certificate program is for interstate drivers and applies only to limb-impaired and amputee drivers. Drivers with a vision impairment can apply for a federal medical exemption to operate interstate.

**Can I apply for an SPE certificate on my own or do I need a sponsor?**

Applications can be filed by an individual driver or jointly by the driver and a sponsoring employer.

**What is involved in the SPE process?**

Applicants must complete an application and provide required documents. In limb-impaired/amputation cases, a skill evaluation must be performed.

**I already have a federal SPE certificate or medical exemption. Now I want to drive in Missouri only. Can I?**

You must apply for a Missouri SPE certificate, but some application requirements can be waived if your federal certificate or exemption is still valid.

**How long does the Missouri SPE certificate application process take?**

Once your completed application is received, the process is normally complete within six months. However, the process could take longer if any application details or documents are missing or if scheduling issues delay a skill evaluation (when applicable).

**What supporting documents are required with the application?**

The documents needed vary with each disabling condition. If you are not physically qualified because of two or more of the conditions listed above, submit the required documentation relating to each condition.

Most forms are available for download at [www.modot.org/mcs](http://www.modot.org/mcs) on the Safety & Compliance page. Be certain to include forms provided by other agencies, such as a motor vehicle driving record or a federal SPE certificate. See the next page for a list of required supporting documents.

**NOTE:** MoDOT is neither responsible for selecting the medical specialist(s) needed to complete the application, providing the vehicle for a skill evaluation or for any expenses incurred. These are the applicant's responsibility.

## **ALL APPLICATIONS**

The following documents must be completed and submitted with every application for a SPE Certificate:

- Statement of Treating Physician (SPEC-B FORM)
- Waiver of Privacy Regarding Personal Health Information (SPEC-C FORM)
- HIPAA Compliant Authorization for Release of Information
- Physical Examination Form and Medical Examiner's Certificate Form
- Road Test and Road Test Certification Form. A motor carrier or a person who is competent to administer the test and evaluate its results must administer the road test.
- Driver Employment Application Form. This form is provided for your use if you do not have a copy of the last one you completed for your last employer.
- A copy of your state motor vehicle driving record {MVR} for the past 3 years from each state in which you held a driver's license or permit. \*Available through the Missouri Department of Revenue.
- A copy of your interstate SPE certificate, exemption or waiver of certain physical defects issued by FMCSA or the individual state(s), if applicable. \*Available from the FMCSA and/or other states.

## **LIMB IMPAIRMENT OR AMPUTATION FORMS**

A board-certified or board-eligible orthopedic surgeon, doctor of physical medicine or physiatrist must complete the Medical Evaluation Summary. Although you may choose any qualified medical specialist, we recommend that you go to a physical rehabilitation facility for this examination. These facilities and their personnel generally have more experience in evaluating the amputee or a limb-impaired individual.

- Application for Skill Performance Evaluation Certificate to Operate Intrastate Commercial Motor Vehicles (Applicant with Limb Impairment or Amputation) (SPEC-1 FORM)
- Medical Evaluation summary ( SPEC-A FORM) (Limb Impairment or Amputation only)

## **VISION IMPAIRMENT**

- Application for Skill Performance Evaluation (SPE) Certificate to Operate Intrastate Commercial Motor Vehicles (Applicant with Impaired Vision) (SPEC-2 FORM)
- Optometrist/Ophthalmologist Certification (SPEC-D FORM)
- Affidavit of Driving Experience (SPEC-E FORM)

THE UNDERSIGNED APPLICANT FOR A SKILL PERFORMANCE EVALUATION CERTIFICATE ACKNOWLEDGES THAT HE/SHE HAS READ AND UNDERSTOOD THE FOLLOWING WAIVER OF PRIVACY, AND HEREBY CONSENTS TO ALL PROVISIONS STATED BELOW.

Missouri law generally requires that all records possessed by state agencies shall be open to public inspection and copying. Laws governing the motor carrier transportation activities of the Missouri Highways and Transportation Commission (MHTC), and the Missouri Department of Transportation (MoDOT), also provide that documents filed on the record in formal proceedings of the commission or department shall be public records, and open to public inspection and copying. These laws govern all applications, and related materials and information, which are submitted to MoDOT Motor Carrier Services, which seek the issuance of Skill Performance Evaluation (SPE) Certificates.

I authorize MHTC, MoDOT, their officers and personnel, to make all reasonable and necessary uses of the information submitted in connection with this application, whether submitted by me personally, by physicians, doctors, nurses, health care providers, or any other person. This waiver includes, but is not limited to, authorizing public disclosure of such information whenever, and to the extent that, MHTC or MoDOT considers such disclosure to be reasonable or necessary in furtherance of the administration of the Skill Performance Evaluation Certificate program. I understand and agree that this may, if required, include publication of one or more notices of the filing and determination of my application, which may describe my physical condition, impairment, health history, etc., and may invite public comments relating to my application and physical condition. I understand that any comments received may also be published.

I also agree that MHTC and MoDOT personnel may transmit any and all information to officials of any other Federal and State agencies, for purposes relating to the administration of this program, or similar programs administered by those governmental entities.

With reference to all information coming into the possession, custody or control of MHTC or MoDOT pursuant to this application, this waiver of privacy shall be continuing, including after the conclusion of the application proceedings.

**PHYSICAL EXAMINATION**

The presence of a certain condition may not necessarily disqualify a driver, particularly if the condition is controlled adequately, is not likely to worsen, or is readily amenable to treatment. Even if a condition does not disqualify a driver, the Medical Examiner may consider deferring the driver temporarily. Also, the driver should be advised to take the necessary steps to correct the condition as soon as possible, particularly if neglecting the condition could result in a more serious illness that might affect driving.

Check the body systems for abnormalities.

CDL means a license issued by a State or the District of Columbia which authorizes the individual to operate a class of a commercial motor vehicle (CMV). A CMV that requires a CDL is one that: (1) has a gross combination weight rating or gross combination weight of 26,001 pounds or more inclusive of a towed unit with a gross vehicle weight rating (GVWR) or gross vehicle weight (GVW) of more than 10,000 pounds; or (2) has a GVWR or GVW of 26,001 pounds or more; or (3) is designed to transport 16 or more passengers, including the driver; or (4) is used to transport either hazardous materials requiring hazardous materials placards on the vehicle or any quantity of a select agent or toxin.
  - **Driver ID Verified By:** The Medical Examiner/staff completes this item and notes the type of photo ID used to verify the driver's identity such as, commercial driver's license, driver's license, or passport, etc.
  - **Question: Has your USDOT/FMCSA medical certificate ever been denied or issued for less than two years?** Please check the correct box "yes" or "no" and if you aren't sure check the "not sure" box.
- **Driver Health History:**
  - **Have you ever had surgery:** Please check "yes" if you have ever had surgery and provide a written explanation of the details (type of surgery, date of surgery, etc.)
  - **Are you currently taking medications (prescription, over-the-counter, herbal remedies, diet supplements):** Please check "yes" if you are taking any diet supplements, herbal remedies, or prescription or over the counter medications. If you checked "yes" to question #23 regarding cancer, indicate the type of cancer. Please add any information that will be helpful to the Medical Examiner.
- **CMV Driver Signature and Date:** Please read the certification statement, sign and date it, indicating that the information you provided in Section 1 is accurate and complete.

## Medical Examiner:

### Section 2: Examination Report

- **Driver Health History Review:** Review answers provided by the driver in the driver health history section and discuss any “yes” and “not sure” responses. In addition, be sure to compare the medication list to the health history responses ensuring that the medication list matches the medical conditions noted. Explore with the driver any answers that seem unclear. Record any information that the driver omitted. As the Medical Examiner conducting the driver's physical examination you are required to complete the entire medical examination even if you detect a medical condition that you consider disqualifying, such as deafness. Medical Examiners are expected to determine the driver's physical qualification for operating a commercial vehicle safely. Thus, if you find a disqualifying condition for which a driver may receive a Federal Motor Carrier Safety Administration medical exemption, please record that on the driver's Medical Examiner's Certificate, Form MCSA-5876, as well as on the Medical Examination Report Form, MCSA-5875.
- **Testing:**
  - **Pulse rate and rhythm, height, and weight:** record these as indicated on the form.
  - **Blood Pressure:** record the blood pressure (systolic and diastolic) of the driver being examined. A second reading is optional and should be recorded if found to be necessary.
  - **Urinalysis:** record the numerical readings for the specific gravity, protein, blood and sugar.
  - **Vision:** The current vision standard is provided on the form. When other than the Snellen chart is used, give test results in Snellen-comparable values. When recording distance vision, use 20 feet as normal. Record the vision acuity results and indicate if the driver can recognize and distinguish among traffic control signals and devices showing red, green, and amber colors; has monocular vision; has been referred to an ophthalmologist or optometrist; and if documentation has been received from an ophthalmologist or optometrist.
  - **Hearing:** The current hearing standard is provided on the form. Hearing can be tested using either a whisper test or audiometric test. Record the test results in the corresponding section for the test used.
- **Physical Examination:** Check the body systems for abnormalities and indicate normal or abnormal for each body system listed. Discuss any abnormal answers in detail in the space provided and indicate whether it would affect the driver's ability to safely operate a commercial motor vehicle.

***In this next section, you will be completing either the Federal or State determination, not both.***

- **Medical Examiner Determination (Federal):** Use this section for examinations performed in accordance with the FMCSRs ([49 CFR 391.41-391.49](#)). Complete the medical examiner determination section completely. When determining a driver's physical qualification, please note that English language proficiency ([49 CFR part 391.11](#): General qualifications of drivers) is not factored into that determination.
  - **Does not meet standards:** Select this option when a driver is determined to be not qualified and provide an explanation of why the driver does not meet the standards in 49 CFR 391.41.
  - **Meets standards in 49 CFR 391.41; qualifies for 2-year certification:** Select this option when a driver is determined to be qualified and will be issued a 2-year Medical Examiner's Certificate.

- **Meets standards, but periodic monitoring is required:** Select this option when a driver is determined to be qualified but needs periodic monitoring and provide an explanation of why periodic monitoring is required. Select the corresponding time frame that the driver is qualified and if selecting other, specify the time frame.
  - **Determination that driver meets standards:** Select all categories that apply to the driver's certification (e.g., wearing corrective lenses, accompanied by a waiver/exemption, driving within an exempt intracity zone, etc.).
- **Determination pending:** Select this option when more information is needed to make a qualification decision and specify a date, on or before the 45 day expiration date, for the driver to return to the medical exam office for follow-up. This will allow for a delay of the qualification decision for as many as 45 days. If the disposition of the pending examination is not updated via the National Registry on or before the 45 day expiration date, FMCSA will notify the examining medical examiner and the driver in writing that the examination is no longer valid and that the driver is required to be re-examined.
  - **MER amended:** A Medical Examination Report Form (MER), MCSA-5875, may only be amended while in determination pending status for situations where new information (e.g., test results, etc.) has been received or there has been a change in the driver's medical status since the initial examination, but prior to a final qualification determination. Select this option when a Medical Examination Report Form, MCSA-5875, is being amended; provide the reason for the amendment, sign and date. In addition, initial and date any changes made on the Medical Examination Report Form, MCSA-5875. A Medical Examination Report Form, MCSA-5875, cannot be amended after an examination has been in determination pending status for more than 45 days or after a final qualification determination has been made. The driver is required to obtain a new physical examination and a new Medical Examination Report Form, MCSA-5875, should be completed.
- **Incomplete examination:** Select this when the physical examination is not completed for any reason (e.g., driver decides they do not want to continue with the examination and leaves) other than situations outlined under determination pending.
- **Medical Examiner information, signature and date:** Provide your name, address, phone number, occupation, license, certificate, or registration number and issuing state, national registry number, signature and date.
- **Medical Examiner's Certificate Expiration Date:** Enter the date the **driver's** Medical Examiner's Certificate (MEC) expires.
- **Medical Examiner Determination (State):** Use this section for examinations performed in accordance with the FMCSRs ([49 CFR 391.41-391.49](#)) with any applicable State variances (which will only be valid for intrastate operations). Complete the medical examiner determination section completely.
  - **Does not meet standards in 49 CFR 391.41 with any applicable State variances:** Select this option when a driver is determined to be not qualified and provide an explanation of why the driver does not meet the standards in 49 CFR 391.41 with any applicable State variances.
  - **Meets standards in 49 CFR 391.41 with any applicable State variances:** Select this option when a driver is determined to be qualified and will be issued a 2-year Medical Examiner's Certificate.
  - **Meets standards, but periodic monitoring is required:** Select this option when a driver is determined to be qualified but needs periodic monitoring and provide an explanation of why periodic monitoring is required. Select the corresponding time frame that the driver is qualified and if selecting other, specify the time frame.
    - **Determination that driver meets standards:** Select all categories that apply to the driver's certification (e.g., wearing corrective lenses, accompanied by a waiver/exemption, etc.).

- **Medical Examiner information, signature and date:** Provide your name, address, phone number, occupation, license, certificate, or registration number and issuing state, national registry number, signature and date.
- **Medical Examiner's Certificate Expiration Date:** Enter the date the **driver's** Medical Examiner's Certificate (MEC) expires.

- II. If updating an existing exam, you must resubmit the new exam results, via the Medical Examination Results Form, MCSA-5850, to the National Registry, and the most recent dated exam will take precedence.**
- III. To obtain additional information regarding this form go to the Medical Program's page on the Federal Motor Carrier Safety Administration's website at <http://www.fmcsa.dot.gov/regulations/medical>.**
