Have a telehealth visit with a mental health professional

LiveHealth Online

Have a private and secure video visit with a therapist, psychologist, or psychiatrist without leaving the privacy and comfort of home. Using your smartphone, tablet, or computer with a camera, you can:

- **Talk with a licensed therapist in seven days or less.**¹ They can help with stress, anxiety, depression, grief, panic attacks, and family issues. Sessions are 45 minutes and cost about the same as an in-office therapy visit.
- **Visit a board-certified psychiatrist within two weeks.**¹ Psychiatrists provide medication support to help you manage a mental health condition.² A session usually costs the same as an in-office psychiatrist visit.

To make an appointment, visit livehealthonline.com, call **888-548-3432**, or go through Anthem's Sydney HealthSM mobile app. Appointments are available from 7 a.m. to 11 p.m., seven days a week.
