SUPPLIES OR SERVICES

This Request for Bid (RFB) is to solicit reasonable offers for best value comparison of LABOR ONLY to:

- Perform marine vessel repowering installation entailing the vessel prep for hot work, dry-dock, and crane work necessary for replacement of two (2) existing propulsion engines with two (2) new U.S. Environmental Protection Agency-certified Tier III 400 HP propulsion engines and one 90 HP auxiliary engine on a towboat work class marine vessel
- As well as replacing one main propulsion engine with one new U.S. Environmental Protection Agency-certified Tier III 455 HP propulsion engine and one 130 HP auxiliary engine on a river dredger work class marine vessel
- And including the corresponding generators, coolers, exhaust, gears, indicators, and controls for BOTH vessels as required for sea trial certification with a contract period of 120 days from agreed date for Notice to Proceed on each vessel.
- The existing engines must be rendered inoperable and scrapped

**** NOTE:** This RFB is for installation labor only. Engines and materials are accounted for under separate RFB

*****NOTE:** It is the responsibility of the Bidder to contact Nestor Gutierrez to obtain all related information, documents, and plans issued during the course of this RFB Process.
