

HAS MODOT CLOSED PORTIONS OF I-64 BEFORE?

MoDOT fully closed I-64 between Ballas and Kingshighway in phases to rebuild and modernize the corridor from 2008-2009.

Although headlines predicted The New I-64 project would be "Carmageddon" ...It was a success!

While the project created short-term disruptions, it was completed efficiently and delivered long-term improvements to safety and travel.

2027 ADVANTAGES

PHONES WITH MAP APPS
