Which one is different?

**Buddy says...
you are an artist.**

Can you draw your family buckled up?

Can you sing. . . Buddy's song?

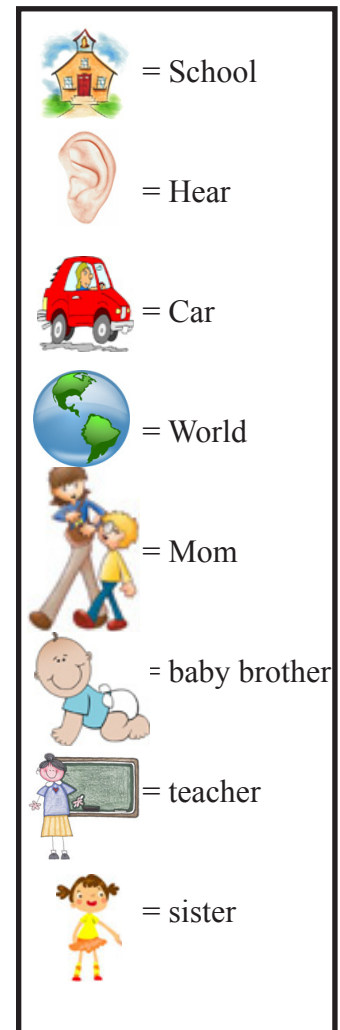

When your  and Dad pick you up after 
When you climb in the  there's just one rule
Hey there buddy, have you buckled up yet?
This  's not moving forward till I  that click

When I  that click
When I  that click, click, click, click, click
Your mommy and your daddy and your little baby brother
They all wanna  that click

Don't you wanna be safe, don't you wanna be cool?
When you hop in the  just remember the rule
It's not hard; it's not a magic trick
The sweetest sound in the  is when you  that click

When you  that click
When you  that click, click, click, click, click
Your mommy and your daddy and your little baby brother
They all wanna  that click

When you  that click
When you  that click, click, click, click, click
Your mommy and your daddy and your grandma and your grandpa,
All your aunts and all your uncles and  and your 
And your little 
They all wanna  that click

Can you
color me?
