

## *Business 63 Bridge over BNSF Railroad & Two Mile Creek*

### DETAILS

The project includes replacing the Business 63 bridge over the BNSF railroad and Two Mile Creek in Thayer, Mo. The new bridge will be wider than the existing structure and will include a pedestrian crossing.

### TIMELINE

The project is expected to be let in March 2020, with construction beginning as early as June 2020. As construction is underway, Business 63 will be closed to through traffic in the vicinity of the bridge for approximately three months. Completion is anticipated in fall 2021.
