

# South Street (Business 65) Widening Ozark

## Project Facts:

- ♦ Widen South Street (Business 65) to five lanes between 19th Street and 6th Street
- ♦ Widen intersection of South Street/Selmore Road/3rd Street; adding turn lanes for northbound and southbound traffic
- ♦ Install new storm drains and curb and gutter along South Street
- ♦ Install new sidewalks in areas along South Street

## Traffic Impacts:

- ♦ Lane closings on South Street during lower traffic volume times
- ♦ Traffic shifts away from construction work
- ♦ Entrances to homes/businesses closed one-half at a time or completely, if two entrances exist

**Construction:** Dec. 2018–Nov. 2019

**Estimated Project Cost:** \$8.5 million
