Dear Consultant:

The **Butler County Commission** is requesting the services of a consulting engineering firm to perform the described professional services for the project included on the attached list. If your firm would like to be considered for these consulting services, you may express your interest by responding to the appropriate office, which is indicated on the attachments. Limit your letter of interest to no more than 3 pages. This letter should include any information which might help us in the selection process, such as the persons or team you would assign to each project, the backgrounds of those individuals, and other projects your company has recently completed or are now active. It is required that your firm's Statement of Qualification (RSMo 8.285 through 8.291) be submitted with your firm's Letter of Interest, or be on file with **Butler County Commission**. The statement of qualification is not included in the total page count limit.

DBE firms must be listed in the MRCC DBE Directory located on MoDOT's website at www.modot.gov, in order to be counted as participation towards an established DBE Goal. We encourage DBE firms to submit letters of interest as prime consultants for any project they feel can be managed by their firm.

It is required that your firm be prequalified with MoDOT and listed in [MoDOT's Approved Consultant Prequalification List](#), or your firm will be considered non-responsive.

We request all letters be received by 10:00 am on 09/18/2026 at **100 N. Main Street, Poplar Bluff, MO**. Digital submissions may be delivered to donna@butlercoclerk.org

Sincerely,

A blue ink signature of Vince Lampe, consisting of a stylized 'V' and 'L'.

Vince Lampe
Presiding Commissioner

Attachment

City/County	Route
Federal Aid No:	NA
Location:	Highway 53-Butler County
Proposed Improvement:	Plan a connector route from Highway 53 to Highway AA crossing Blackriver
Length:	
Approximate Construction Cost:	\$32,000,000
DBE Goal Determination:	0 %
