PLAN YOUR COMMUTE: CENTER JUNCTION DIVERGING DIAMOND INTERCHANGE

To improve safety and traffic flow, the Missouri Department of Transportation will replace the Interstate 55 bridges over Highway 61 between Cape Girardeau and Jackson and convert the existing interchange to a diverging diamond interchange. A $17.4 million contract was awarded to Penzel Construction Co., Inc., for this project in January 2020. For more information or project updates, please visit www.modot.org/center-junction-ddi or call 1-888-ASK MODOT (275-6636).

APRIL 2020–NOV. 2021
