

Construction of Perry Avenue Extension in the City of Ashland Missouri located Boone County

Notice to Contractors

Sealed bids for Perry Avenue Extension Project No. S403001 , will be received at: Ashland City Hall 101 W. Broadway, Ashland, MO 65110 until 3:00 o'clock P.M. (Prevailing Local Time) on the 29th day of May, at the office of the City Clerk, and at that time will be publicly opened and read. All bids shall be submitted in the form of paper copy with bid tabs filled out in the contract documents.

The proposed work includes approximately 1200 feet of concrete roadway and an associated water line extension. This project serves as an excellent opportunity to accelerate construction without impediments for outside agency stakeholders (i.e utilities). The primary outcome is to complete a concrete roadway from the existing Perry Avenue to the outer road near Liberty Lane. The City of Ashland also desires to extend their existing water line with the roadway construction.

Plans and specifications may be (purchased) from the office of Great River Engineering at 826 S Ingram Mill Rd, Springfield, MO 65804.

A pre-bid conference will be held at 10:00 AM on the 25th day of May at Ashland City Hall 101 W. Broadway, Ashland, MO 65110. **All bidders are encouraged to attend the pre-bid meeting.**

All labor used in the construction of this public improvement shall be paid a wage no less than the prevailing hourly rate of wages of work of a similar character in this locality as established by the Department of Labor and Industrial Relations (Federal Wage Rate), or state wage rate, whichever is higher.

The City of Ashland hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.”

All bidders must be on MoDOT’s Qualified Contractor List per Section 102.2 from the current version of the Missouri Standard Specifications for Highway Construction, including all revisions. The contractor questionnaire must be on file 7 days prior to bid opening.

Contractors and sub-contractors who sign a contract to work on public works project provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

A certified or cashier’s check or a bid bond in the amount of 5% shall be submitted with each proposal.

The City of Ashland reserves the right to reject any or all bids.

The DBE Goal for this project is 0%.

No 2nd tier subcontracting will be allowed on this project.
