NOTICE OF OPPORTUNITY FOR PUBLIC HEARING

FOR INTERSECTION IMPROVEMENTS IN NEOSHO, MISSOURI

Notice is hereby given to all interested persons that the City of Neosho is planning to make intersection improvements at Highway 86 and Hammer Road in Neosho, Missouri.

The project involves the construction of a roundabout at the intersection of Highway 86 and Hammer Road, including grading, and pavement replacement. Acquisition of new right-of-way will be required for this project. Existing utilities will also be affected by this project and require relocation.

Construction for the intersection is planned to begin in the spring of 2023. The construction time will be approximately 9 months while the new intersection and roadway are constructed.

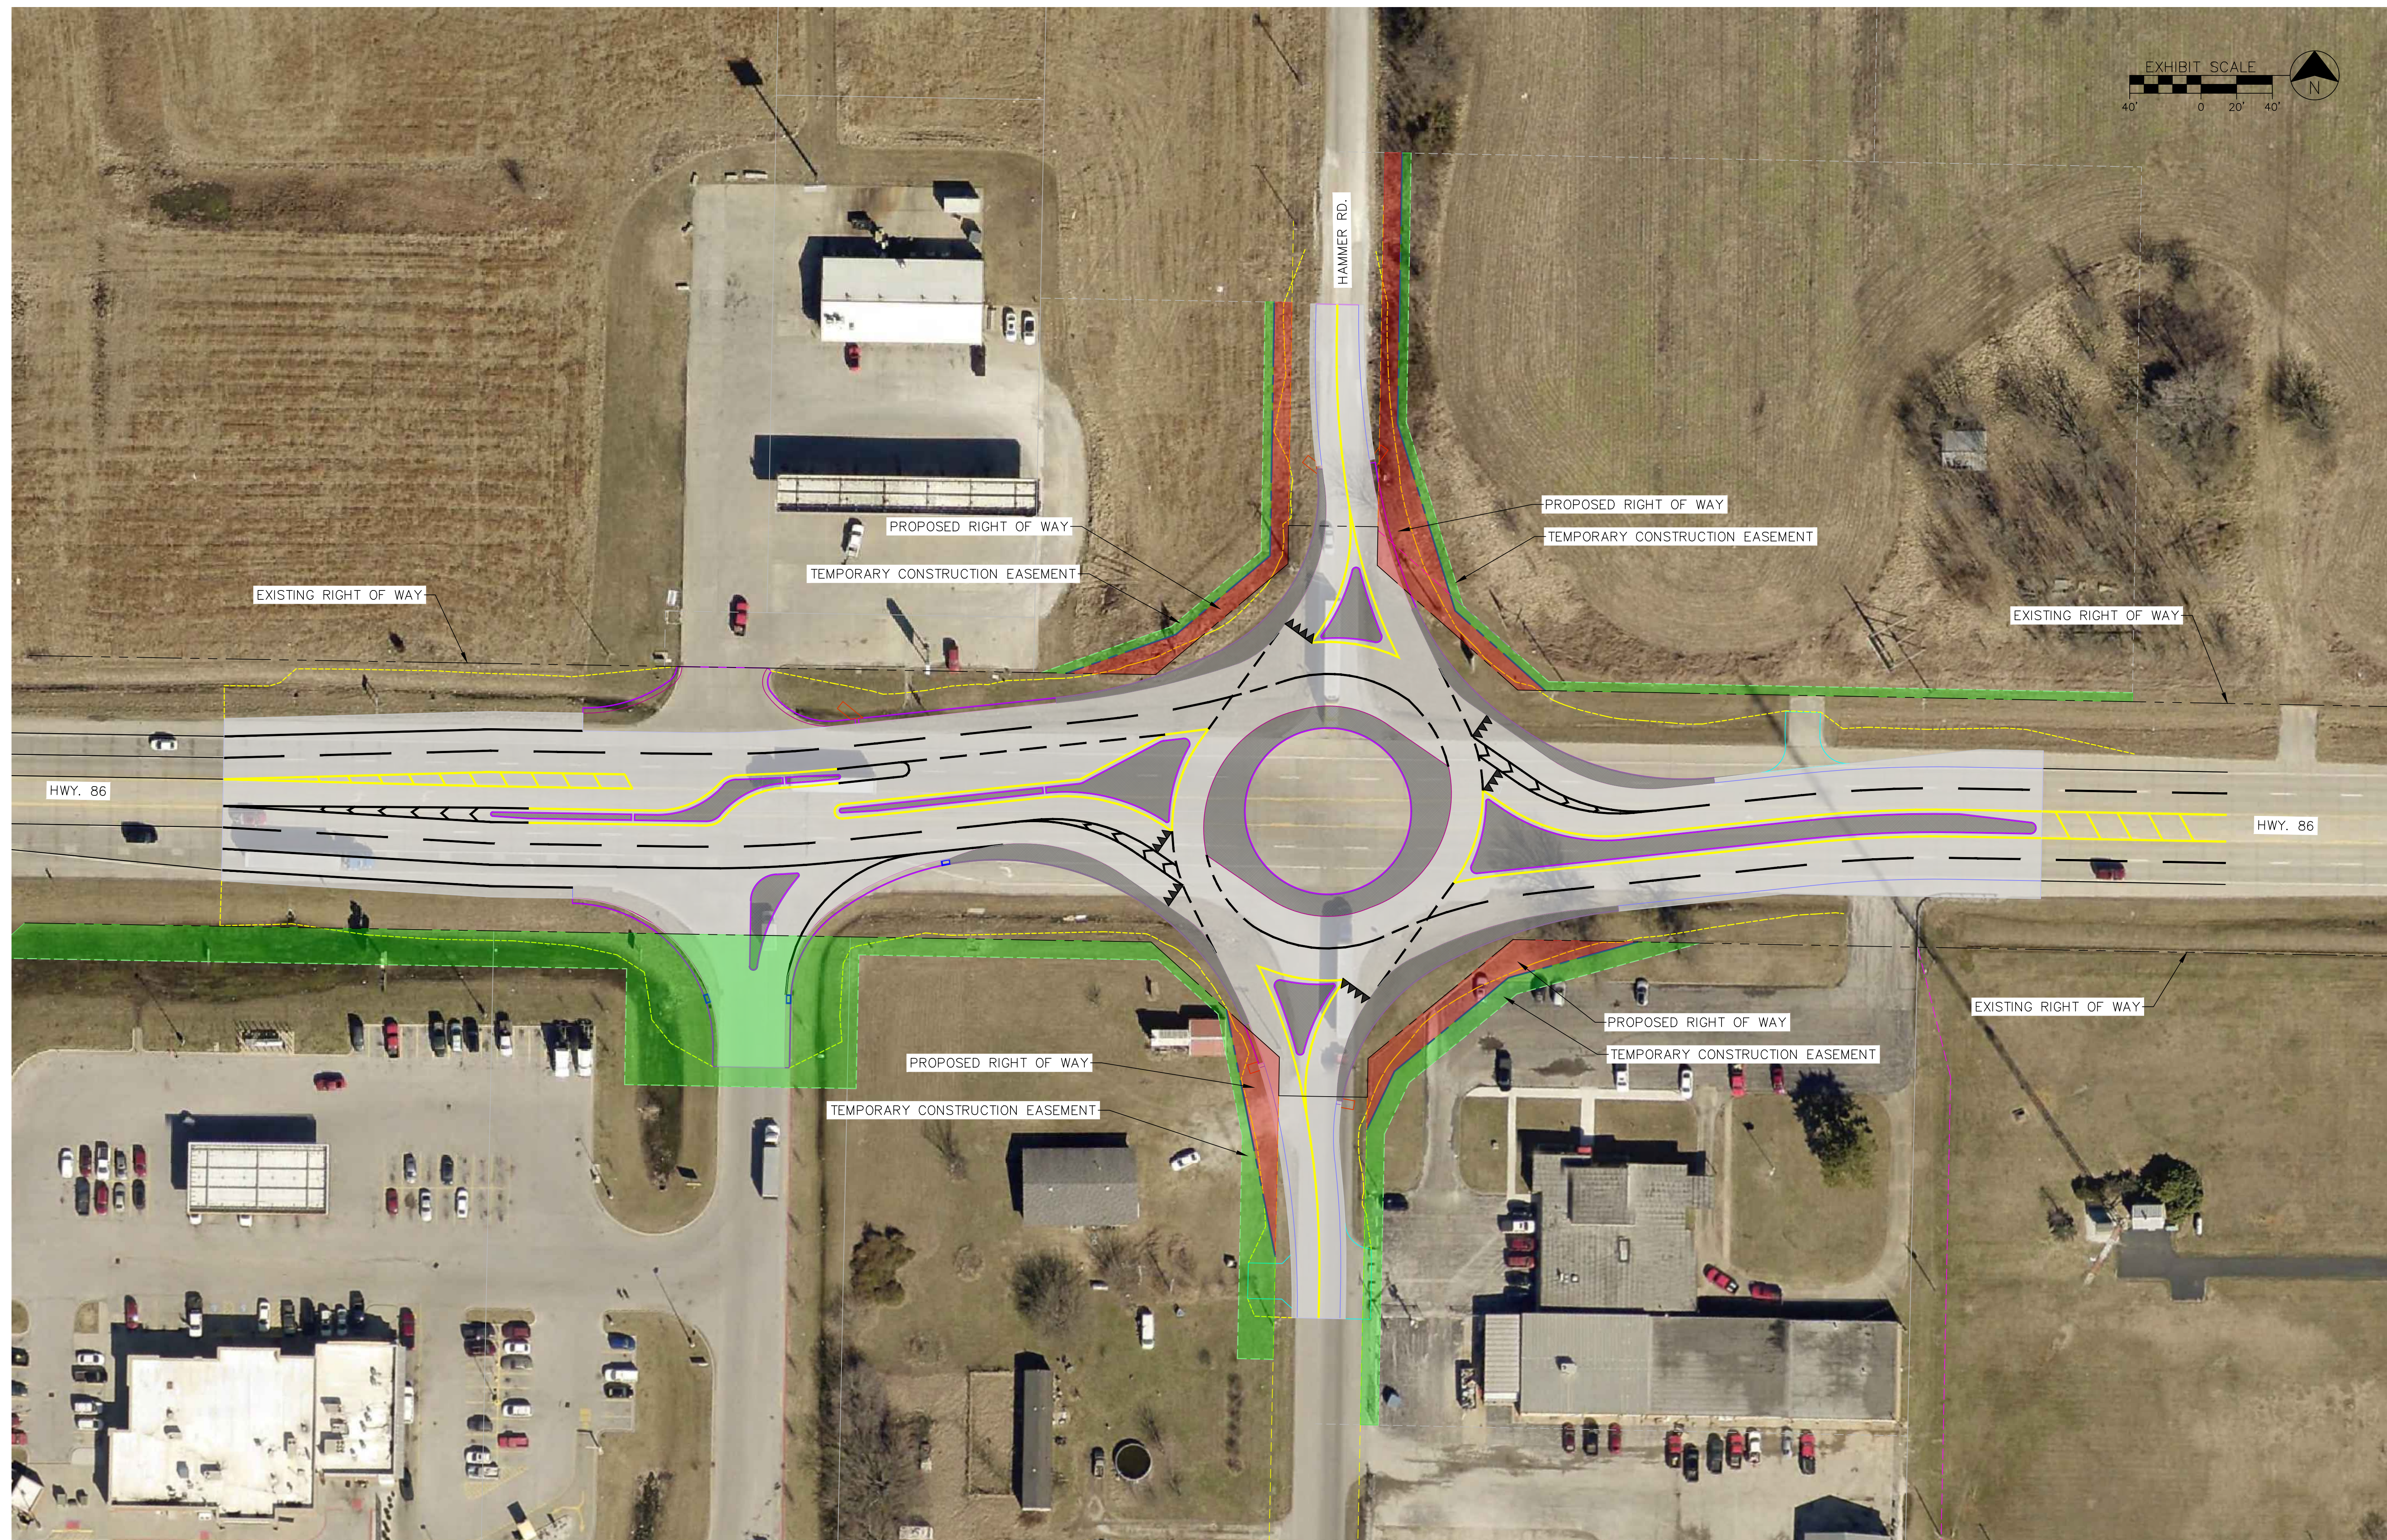

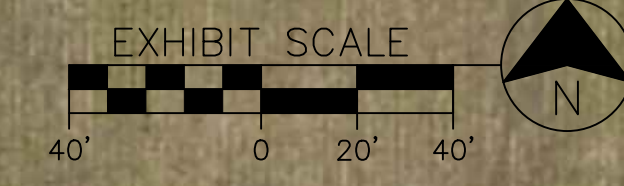

Hammer Road will be temporarily closed to through traffic in the vicinity of the project with a detour provided for the duration of the closure. Property owners, within the project limits, will have access to the project area to gain access into their properties. The proposed detour is as follows:

North of Highway 86: Hammer Road north to Kentucky Road to Highway 175
South of Highway 86: Hammer Road south to Mulberry Road to Kodiak Road

Plans and information prepared by the City of Neosho, will be available for public inspection on May 19, 2022 from 5 p.m. to 7 p.m. at the Neosho Civic Center, 109 West Main Street, Neosho, Missouri, 64850.

Sincerely,

David Kennedy
City Manager

HAMMER RD.
