

INVITATION TO BID

CLAY COUNTY BRIDGE REPLACEMENT

Sealed bids for the Proposal for the Construction of Clay County Bridge #06800031 will be received at: Clay County Purchasing, 1 Courthouse Square, Liberty, MO 64068, until 1:00 o'clock P.M. (Prevailing Local Time) on the 21st day of March 2017, at the office of the Clay County Administration building, and at that time will be publicly opened and read. All bids shall be submitted as a Hard Copy.

The proposed work includes:

Demolition of an existing structure spanning Carroll Creek and the construction of a new 90' NU girder single span bridge, approach roadway work, and incidental work in accordance with the plans and specifications. The project is located at 172nd Street over Carroll Creek, in Section 18, Township 53N, Range 30W, Clay County, Missouri.

A digital copy of the plans and specifications may be purchased through the office of Great River Engineering (GRE), upon payment of \$75.00, which is not refundable. All bidders must purchase plans through Great River Engineering, Inc. and be on the planholder list in order to bid the project.

All labor used in the construction of this public improvement shall be paid a wage no less than the prevailing hourly rate of wages of work of a similar character in this locality as established by the United States Department of Labor (Federal Wage Rate), or by the Missouri Department of Labor and Industrial Relations (State Wage Rate), whichever is higher.

The Clay County Commission hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.

All bidders must be on MoDOT's Qualified Contractor List per Section 102.2 of the Missouri Standard Specifications for Highway Construction, 2016 Edition including all revisions. The contractor questionnaire must be on file 7 days prior to bid opening.

Contractors and sub-contractors who sign a contract to work on public works projects shall provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

A certified cashier's check or a bid bond in the amount of 5% shall be submitted with each proposal.

The Clay County Purchasing reserves the right to reject any or all bids.

The project will be awarded to the lowest, responsive, responsible bidder.

The DBE Goal for this project is 10%.

No 2nd tier subcontracting will be allowed on this project.
