St. Charles County Construction Projects

Improve I-70 Project #2

1 **Warrenton to Wentzville Segment - Design-Build Project (East Segment).** Construction set to take place 2025-2028 and incorporates the following components:

1 **Widening** – Provides 3 lanes in each direction of I-70 from MO-47 Warrenton interchange to the 70/64/40/61 interchange in Wentzville.

1 **I-70 Wentzville Parkway to Route Z-** Interstate widening, curve improvements and railroad bridge replacement.

1 **I-70/I-64/U.S. 40/61 Interchange** - Interchange redesign to improve functionality.

1 **I-64 Widening** - Capacity improvements with an additional I-64 lane between Route K and the I-70/I-64/U.S. 40/61 Interchange.

1 **1. New Foristell Interchange** – Construction of new divergeabout interchange at 70/W in Foristell to improve traffic flow operations for current and future growth.

2025 Projects

2 **I-64 at the Missouri River** – Rehabilitation of the westbound Boone Bridge over the Missouri River – Begins Spring 2025 and expected completion in spring 2026.

3 **I-64 Outer Road bridge replacement-** Bridge replacement and roadway improvements at the I-64 Outer Road (Technology Drive) at Dardenne Creek. The outer road will be closed during this work with a detour between Route K and Winghaven. Begins summer 2025 and completed in 2026.

4 **Route 94-** Road resurfacing from the Burlington Northern Santa Fe railroad to Highway H/J. Work expected to be completed by winter 2025.

5 **Route 370-** Road resurfacing from Elm Street to I-270 and MO-94 and from Route 370 to Highway B. Work expected to begin summer 2025 and completed by winter 2025.

6 **Route K** – Add Dual Left Turn Lanes at Route N (City of O’Fallon led Cost Share) – Schedule is to begin work in 2025.

7 **Route D-** Pavement resurfacing and guardrail improvements from Route Z to Route 94. Work began in winter 2024 and expected to complete in summer 2025.

8 **Route Z-** Pavement resurfacing and guardrail improvements from Route N to Route D. Work expected to be completed by winter 2025.

2026 Projects

9 **Route 370 River Bridges rehabilitation** – Work expected to begin late 2025.

10 **Route 67-** Safety improvements including J-turns and pavement resurfacing. Work is anticipated to begin in 2026.

11 **Route 70** – Construct new one-way outer north outer road between MO-94 and Zumbuhl (St. Charles County led Cost Share) – Schedule is to begin work in 2026.

12 **Route 61 Outer Road (Continental Drive)-** Road resurfacing from Pitman to Bernard Drive.

13 **Route Z** – Add Lanes from Interstate Dr. to Perry Cate Blvd. (City of Wentzville led Cost Share) – Work anticipated to begin in 2026.
