|-------------|-------------|----------------------|--|---|-------------|--|
| 1 | 4.3 | Page Limits | This section states a maximum of six pages is allowed for Form DB-110s. However, Form DB-110 is a two-page form that requires up to 12 pages to cover all Key Personnel. Please change Form DB-110 to a one-page form or allow a maximum of 12 pages. | This has been addressed in Addendum 01. | 6/17/2024 | Y |
| 2 | 3.4 | Submitter Experience | This section states Form DB-102 is not to be modified. Is it acceptable to adjust the line spacing on page 1 so the list of personnel involved in the project moves from page 2 to page 1? This will allow proposers more room for their description of the project. | DB-102 shall not be reformatted by the Proposers. An updated version of DB-102 has been included in Addendum 01 which leaves all of page 2 for the Project Description. | 6/17/2024 | Y |
