

MISSOURI ROUTE 32 BRIDGE REPLACEMENT OVER HUZZAH CREEK IN DENT COUNTY

PROJECT OVERVIEW

Planned Improvements

The Missouri Route 32 bridge over Huzzah Creek in Dent County, southwest of Viburnum, is slated for replacement in 2027. Planned improvements include:

- New 30 foot wide bridge, 6 feet wider than the current bridge.
- Replacing current railings with new barriers.
- Installing new guardrail, pavement marking, and approach pavement.

Current Project Timeline*

- **Dec. 2026:** Contractors submit competitive bids.
- **Jan. 2027:** Missouri Highways and Transportation Commission may award contract.
- **March 2027:** If awarded in January, earliest contractor may begin work.
- **Dec. 2027:** Anticipated project completion.

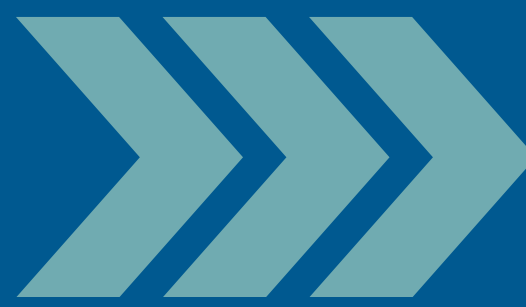

*pending MHTC approval

Traffic Impacts

Construction is expected to take place in 2027 and is expected to take approximately 6 months, subject to change.

The Missouri Route 32 bridge is anticipated to remain open during construction, with a one-lane temporary bypass in place and temporary traffic signals directing motorists through the work zone.
