

U.S. ROUTE 63 & ROUTE CC INTERSECTION IMPROVEMENTS IN BOONE COUNTY

PROJECT OVERVIEW

Planned Improvements

The intersection of U.S. Route 63 at Route CC & Roy Barnes Road in Boone County, west of Sturgeon, is slated for improvement in 2026.

Improvements include:

- Removing crossover.
- Adding deceleration and acceleration lanes for Route CC and Roy Barnes Rd.
- Installing lighting to the intersection.

Traffic Impacts

At this time, the roadway is expected to remain open, but motorists will encounter lane closures throughout the construction process.

Estimated Cost

- \$3 million including engineering and construction costs, subject to change.
