Drury Intern Housing Partnership

Description and Benefit

The Drury Student Housing Partnership is an innovative solution by MoDOT's Southwest District HR team to attract more summer interns by providing affordable, convenient housing. Through collaboration with Drury University, interns can live in campus apartments equipped with kitchens, located just minutes from MoDOT offices and the Transportation Management Center. This option offers discounted rates, flexible payment schedules, and direct contracts between students and Drury, reducing administrative burden for MoDOT. The partnership enables recruitment of out-of-town and out-of-state students who otherwise couldn't accept internships due to housing barriers, strengthening MoDOT's talent pipeline and supporting future full-time hires.
