

Welcome to the I-44 Project Bridge Rebuild Early Release Information

Project Goals

1. Deliver the project within the programmed budget of \$36.1 million
2. Maximize the service life of all identified bridges within the project limits and deliver an end product that improves safety and minimizes future maintenance
3. Move traffic through the project in a safe, efficient manner using innovative techniques
4. Deliver the project using a diverse workforce
5. Complete the project by December 15, 2021

As-built bridge plans, roadway plans and traffic counts are available upon request. [Click here](#) to submit a request for access to this information.
