

Washington County
Bridge Replacement
Route AA
On-line Public Meeting
September 26, 2019

Frequently Asked Questions

What is the purpose of tonight's meeting?

The purpose of online meeting is to provide information on plans to replace the bridge over Fourche A Renault Creek on Route AA in Washington County. The project is located approximately 8 miles west of Potosi.

Why is this work necessary?

The existing structure on Route AA was built in 1960 and is 20 feet wide. The bridge has deteriorated and is in need of replacement. The new bridge width will be 26 feet wide.

How will traffic be affected?

The roadway will be closed to the public for the entire duration of the project.

When will the work take place?

The construction will take up to 100 days between February 10, 2019 and July 31, 2020.

Will additional right of way be needed to construct this project?

All work will be done within existing Right of Way.

What will the project cost?

The total project cost is approximately \$1,014,000.
