If no miles were traveled during a quarter, a return indicating no operation (zero) must be filed.

Tax returns and any additional taxes due must be filed and paid by the due dates below or penalty and interest will be assessed.

Quarter	Reporting Period	Due Date
1st	January – March	April 30
2nd	April – June	July 31
3rd	July – September	October 31
4th	October - December	January 31

If a due date falls on a weekend or federal holiday, an extension is granted until the next business day.
