Revisions to Engineering Policy Guide

Questions concerning the revisions to the Engineering Policy Guide should be directed to Randall Hoskins, Central Office, Engineering Policy Services at 573-751-4659 or myself at 573-751-7412.

REVISIONS:

EPG 134: This revision is to bring the EPG article up to current practices. To better emphasize how conflicts of interest are identified. It now better defines the solicitation and selection process, and the rating/scoring of consultants.

EPG 139: This EPG revision updates the Design-Build guidance and processes for invoice reviews, risk to identify auditing, and other minor revisions.
