Pay Items

Questions concerning the distribution of revisions to bid items should be directed to Central Office, Ivan Schmidt (573) 526-2919 or Ryan Martin (573) 526-2923.

NOTE	EXPLANATION
1	The following listing shows item numbers in the pay items database that were added, revised, or made obsolete and are effective with the <b>July 2026</b> bid opening. A complete listing of pay items can be found at the following website. <a href="https://www.modot.org/bid-items-listing">https://www.modot.org/bid-items-listing</a>
2	For a material, process, unit, type or description change, an alphanumeric character will be added at the end of the existing number to indicate a revised item. For example, 4036000 once revised becomes 4036000A, and if revised again becomes 4036000B. This process eliminates creating an excessive amount of new numbers in the database.
