webpage.

PROJECT DETAILS

Why is this work needed?

The Washington County Route W bridge over Ashley Branch is slated for a deck replacement in 2026. Built in 1963, the supporting structures are in good condition, but the deck is in need of replacement.

Proposed Improvements

Route W over Ashley Branch:

- Replacing bridge deck (driving surface).
- The new structure will be 26-feet wide, 2 feet wider than the current structure.

Traffic Impacts

The bridge will be closed for the duration of construction, which is anticipated to last 60 calendar days, subject to change.

Current Proposed Timeline

March 2026: Contractors may submit competitive bids.

April 2026: Missouri Highways and Transportation Commission may award contract.

May 2026: If awarded in April, earliest contractor may begin work.

Dec. 2026: Anticipated project completion.
