The Triple Tax Benefits of Your HSA

You've made the smart choice in selecting a Health Savings Accounts (HSA), now it's time to learn how you can truly maximize the opportunity that comes with this tax advantaged account.

With an HSA, you get the unparalleled benefits of triple tax savings on the dollars you contribute which include:

Using Investments to Grow Your HSA Dollars

As highlighted above, one of the key benefits of an HSA is the ability for you, as the account holder, to invest the dollars you contribute, growing the value of your account over time. In addition to the benefit of having more dollars to pay for healthcare costs in the future, it is also a great option for retirement savings either in place of or in addition to an IRA or 401(k).¹

HSA Investments Made Easy

Throughout this guide, we will show you how to begin investing your HSA and manage your investment account.

Key things you need to know as you begin:

- **Minimum Balance is Required:** With an HSA account balance over \$1,000, you can establish an investment account. Any funds above this threshold can be invested in this account.
- **Investments Are Self-Directed:** You control which funds you invest in. **Anthem, WealthCare Saver or Devenir cannot provide guidance on investments. You should consult with your financial advisor.**
- **Industry Leading Investment Solution:** Devenir is the self-directed investment solution for your HSA investments, they have been a leader in HSA investments since they were first introduced.
- **Online Account Management:** You can manage your investments online via your HSA account (more details later).

Investment Rules for your Health Saving Account

	You must maintain this balance in your HSA in order to invest:	\$1,000.00
	Your current HSA balance:	\$2,000.00
	Transfers from your HSA to your investment account must be greater than or equal to:	\$1.00
	Once your HSA balance reaches this amount, you can begin investing:	\$1,001.00

 **Congratulations!**

Congratulations. You are eligible to participate in the optional HSA Investment Account.

One of the many benefits of your enrollment in an HSA is that you have the option to invest any amounts greater than the Investment Threshold in a variety of mutual funds options. The Investment Threshold is established by the Administrator and trades may not occur for less than \$1.

Here's how to get started:

- 1) Apply for an HSA Investment Account online by Clicking the "Apply for an Investment Account" button below.
- 2) Complete the application steps by reading all disclosures and submitting your investment application.
- 3) If your application is submitted before 12 PM CST your account will be open within a few hours. If your application is submitted after 12 PM CST, it will be processed the next business day. Once your account is open you will receive a welcome email and you will be able to navigate to the investment portal. The first thing you should do is setup your investment allocation model.
- 4) You will be able to transfer money from your HSA Cash Account to your HSA Investment Account directly from this page. Only amounts above \$1,001 can be transferred to investments.

Click the button below if you would like to establish an HSA Investment Account.

Trading Policy
 Mutual fund companies may implement a trading policy in an effort to discourage short term trading. The trading policy may include the right of the fund company to reject future fund transfer purchase orders. The rights of shareholders to redeem shares of a fund are not affected by these trading policies. Investors should carefully consider information contained in the prospectus, including investment objectives, risks, trading restrictions, charges and expenses.

Transferring funds from your HSA to Investments

Follow the steps below to begin funding your investments from your HSA account.

- 1 Once logged into your account, click **Spending Accounts** under the *Menu* tab > **Manage My Account** > **My Accounts** > **Benefit Account Summary** > **Investments**. If a new window does not open automatically, check and disable your pop up blocker within the browser window.

Enter the amount that you want to transfer next to **Transfer Amount**. Then click **Submit**.

The screenshot shows a window titled "Transfer to Investments" with the following details:

Balance	\$2,786. ⁹⁷
Maintain Balance	\$1,000. ⁰⁰
Pending Transfers	\$0. ⁰⁰
Available to Invest	\$1,786. ⁹⁷
Minimum Investment Amount	\$1. ⁰⁰
Maximum Investment Amount	\$1,786. ⁹⁷

Below the table, there are two informational boxes:

- An information box (i) stating: "Please specify the amount you would like to transfer. Your transfer will be completed in the next 2-3 business days. Please note that your investments are not FDIC insured and may lose value."
- A warning box (⚠) stating: "Once you submit your transfer request, the amount specified cannot be edited or deleted. Be sure to enter transfers only once and verify the amount prior to submitting."

At the bottom, there is a "Transfer Amount" field with a dollar sign icon and a "Submit" button with a checkmark icon, and a "Cancel" button with an 'X' icon.

A blue callout box points to the "Available to Invest" value, stating: "Available to Invest is the maximum you can invest due to the minimum balance requirements."

Setting up Automatic Transfers

Another option for transferring money to your investment account, is setting up automatic transfers. This is a convenient way to transfer money to your investment account, while maintaining a balance in your HSA bank account that you set.

- 1 Once logged into your account, click **Spending Accounts** under the *Menu* tab > **Manage My Account** > **My Accounts** > **Benefit Account Summary** > **Investments** > **Setup Automatic Investment**

- 2 Enter the balance you would like to keep in your HSA bank account and the minimum amount you would like to transfer to your investment account. Check the box to confirm this information and click **Save**.

Setup Automatic Transfer to Investments
✕

When enabling automatic transactions to investments, you are required to maintain at least \$1,000.⁰⁰ in your cash account and the minimum amount which can be automatically transferred is \$100.⁰⁰. You have the option to set amounts equal to or greater than these amounts:

(\$) How much would you like to keep in your cash account? *

(\$) What's the minimum amount you would like to transfer? *

\$ 1,000.00

\$ 150.00

I understand that once my account reaches or exceeds \$1,000.⁰⁰, we will automatically transfer amounts above \$150.⁰⁰ amount to your investment account. This transfer will be performed at most once a day based on your end of day balance *

Frequently Asked Questions

How can I get advice on which investments to select?

Investments offered through your HSA are self-directed. You should consult a financial advisor for guidance on fund selection. For all non investment related support, please contact customer service on your HSA debit card or member ID card.

What does “Self-Directed” account mean?

Self-Directed means that neither the banking partner nor the investment partner can provide investment advice such as which funds to pick. If you are seeking investment advice, utilize online resources or consult an investment professional.

How often are investment fund performance results updated?

Performance is updated on a monthly basis and is available on the [Devenir website](#). You can also link to quarterly performance updates within the member website online resources for HSAs.

How long does it take to transfer money?

It takes 3-4 business days to transfer money to/from your investment account. During the transfer process the elected funds will not show in your HSA. Once the transfer is complete, they will show in your investment summary.

How can I access my investment account?

You can access your investment account directly from your online HSA account.

Can I go below the \$1,000 threshold in my HSA?

Yes, however you cannot put more money into your investment account until your HSA account balance is above the \$1,000 threshold. Keep in mind that when funds are transferred to your investment account, the amount of the transfer cannot bring the balance of your HSA below your investment threshold.

Can I use my Investment funds to pay for qualified medical expenses?

Yes, but the money from your investment account will need to be transferred back to your HSA account to pay for qualified medical expenses.
